Amended _____, 2023

The following procedures have been adopted by the _____ Association, Inc., a Colorado Non-Profit Corporation (“Association”) pursuant to the provisions of C.R.S. §38-33.3-209.5, C.R.S. §38-33.3-209.4, §38-33.3-317, the Governing Documents of the Association, and the Act, at a regular meeting of the Board.

Purpose: The Act establishes the obligation of the Association to keep certain records and gives all Members the right to examine and copy the statutorily required records of the Association. This policy is adopted to: establish uniform procedures for the inspection and copying of Association records by Association Members; to establish the type of records kept by the Association or its agent and where they are stored, including the availability of records on a website; and to establish the cost of copying Association records. This policy also facilitates delivery or transmission of written statements to permitted persons or organizations describing the amount of unpaid Assessments currently levied against any Parcel.

NOW, THEREFORE, IT IS RESOLVED that the Association does hereby adopt the following policy governing the inspection and copying of Association records:

1. Association Records Available for Inspection and Copying. The Association shall maintain records in accordance with C.R.S. §38-33.3-317.
