Best-Practice Responses

Businesses of all types are at risk for liability exposure. Alleged or actual incidents related to a company's products, services, operations, or premises are common and can end up resulting in a liability claim or lawsuit. That's why General Liability insurance is important. However . . .

How a business responds to a potential liability incident can have a significant impact on the outcome of the situation.

While each scenario is unique, certain best practices can go a long way toward mitigating the severity and complexity of a claim. We offer some tips here.

1 - RESPOND PROMPTLY

- An immediate response to the situation is critical. Always be courteous, compassionate, and professional.
- For incidents involving criminal activity, significant property damage, severe injury, or death, call 911.
- If no injuries are apparent, ask the involved parties to kindly notify the company if medical attention is sought after the incident.

Types of Liability Incidents

"Third parties" can include customers, suppliers, contractors, service providers, vendors, etc.

- **Accidental Injuries**
Ex: Third-party claim of injury due to a slip or fall on premise or being impacted by an object
- **Product Liability**
Ex: Third-party claim of an illness from consuming a company's product or injury due to a service provided
- **Property Damage**
Ex: Third-party claim of property damage while on premise or during the delivery of a company's goods or services
- **Reputational Damage**
Ex: Third-party claim of personal injury due to an invasion of privacy, slander or libel

2 - SECURE THE SCENE

- Contain or establish some type of separation from any ongoing hazard or danger.
- Secure the scene; prevent any unauthorized entry.
- Preserve potential evidence, including damaged or defective equipment, products, or materials that might have been involved in the incident.
- Be careful not to hide, destroy, tamper with, or misrepresent facts of causation.
- Take pictures of the scene from different angles and before enacting any repairs.
- Retain any video surveillance.

IMPORTANT: If video evidence is captured but then deleted or recorded over, it could be perceived as negligence (or that the alleged incident was caused by a business's actions and/or inactions).

3 - IDENTIFY WITNESSES

- Identify individuals who may have witnessed the incident and ask about their willingness to help with the investigation. NEVER detain anyone against their will.
- Do NOT place blame on employees or third parties.
- Collect contact information and statements from all willing and involved parties.

4 - COMPLETE AN INCIDENT REPORT

- Complete a report directly following an incident. (This should be part of company policy.) Samples can be found online or obtained from us. Keep the report on file in case a claim needs to be reported.
- Consider characteristics about the injured party that might have contributed to the accident (i.e., footwear, glasses, mental or physical condition).
- Note any service providers that may be responsible for conditions contributing to the incident (i.e., cleaning service, food supplier).

BUSINESSOWNER'S COVERAGE FORM INDEX

This index is provided only as a convenience. It should not be assumed to provide a reference to every provision that can affect a question, claim or coverage. To determine the full scope of coverage and pertinent restrictions and exclusions, the policy (including endorsements) must be read in its entirety. The features may also be affected by related provisions not referenced at all in the index, or noted elsewhere in it. For instance, an **Exclusion** feature addresses a specific policy exclusion; but restrictions of coverage and exclusions also appear within the areas where coverage, covered causes of loss, etc., are described.

BUSINESSOWNER'S COVERAGE FORM

Various provisions in this policy restrict coverage. Read the entire policy carefully to determine rights, duties and what is and is not covered.

Throughout this Coverage Form the words "you" and "your" refer to the Named Insured shown in the Declarations. The words "we", "us" and "our" refer to the Company providing this insurance.

In Section II – Liability, the word "insured" means any person or organization qualifying as such under Paragraph C. Who Is An Insured.

Other words and phrases that appear in quotation marks have special meaning. Refer to Paragraph H. Property Definitions in Section I – Property and Paragraph F. Liability And Medical Expenses Definitions in Section II – Liability.

SECTION I – PROPERTY

A. Coverage

We will pay for direct physical loss of or damage to Covered Property at the premises described in the Declarations caused by or resulting from any Covered Cause of Loss.

1. Covered Property

Covered Property includes Buildings as described under Paragraph a. below, Business Personal Property as described under Paragraph b. below, or both, depending on whether a Limit of Insurance is shown in the Declarations for that type of property. Regardless of whether coverage is shown in the Declarations for Buildings, Business Personal Property, or both, there is no coverage for property described under Paragraph 2. Property Not Covered.

a. Buildings, meaning the buildings and structures at the premises described in the Declarations, including:

- (1)** Completed additions;
- (2)** Fixtures, including outdoor fixtures;
- (3)** Permanently installed:
 - (a)** Machinery; and
 - (b)** Equipment;
- (4)** Your personal property in apartments, rooms or common areas furnished by you as landlord;

(5) Personal property owned by you that is used to maintain or service the buildings or structures or the premises, including:

- (a)** Fire extinguishing equipment;
 - (b)** Outdoor furniture;
 - (c)** Floor coverings; and
 - (d)** Appliances used for refrigerating, ventilating, cooking, dishwashing or laundering;
- (6)** If not covered by other insurance:
- (a)** Additions under construction, alterations and repairs to the buildings or structures;
 - (b)** Materials, equipment, supplies and temporary structures, on or within 100 feet of the described premises, used for making additions, alterations or repairs to the buildings or structures.

b. Business Personal Property located in or on the buildings at the described premises or in the open (or in a vehicle) within 100 feet of the described premises, including:

- (1)** Property you own that is used in your business;
- (2)** Property of others that is in your care, custody or control, except as otherwise provided in Loss Payment Property Loss Condition Paragraph E.5.d.(3)(b);
- (3)** Tenant's improvements and betterments. Improvements and betterments are fixtures, alterations, installations or additions:
 - (a)** Made a part of the building or structure you occupy but do not own; and
 - (b)** You acquired or made at your expense but cannot legally remove;
- (4)** Leased personal property which you have a contractual responsibility to insure, unless otherwise provided for under Paragraph 1.b.(2); and
- (5)** Exterior building glass, if you are a tenant and no Limit of Insurance is shown in the Declarations for Building property. The glass must be owned by you or in your care, custody or control.

2. Property Not Covered

Covered Property does not include:

- a. Aircraft, automobiles, motortrucks and other vehicles subject to motor vehicle registration;
- b. "Money" or "securities" except as provided in the:
 - (1) Money And Securities Optional Coverage; or
 - (2) Employee Dishonesty Optional Coverage;
- c. Contraband, or property in the course of illegal transportation or trade;
- d. Land (including land on which the property is located), water, growing crops or lawns;
- e. Outdoor fences, radio or television antennas (including satellite dishes) and their lead-in wiring, masts or towers, signs (other than signs attached to buildings), trees, shrubs or plants, all except as provided in the:
 - (1) Outdoor Property Coverage Extension; or
 - (2) Outdoor Signs Optional Coverage;
- f. Watercraft (including motors, equipment and accessories) while afloat;
- g. Accounts, bills, food stamps, other evidences of debt, accounts receivable or "valuable papers and records"; except as otherwise provided in this policy;
- h. "Computer(s)" which are permanently installed or designed to be permanently installed in any aircraft, watercraft, motortruck or other vehicle subject to motor vehicle registration. This paragraph does not apply to "computer(s)" while held as "stock";
- i. "Electronic data", except as provided under Additional Coverages – Electronic Data. This Paragraph i. does not apply to your "stock" of prepackaged software.
- j. Animals, unless owned by others and boarded by you, or if owned by you, only as "stock" while inside of buildings.

3. Covered Causes Of Loss

Risks of direct physical loss unless the loss is:

- a. Excluded in Paragraph B. Exclusions in Section I; or
- b. Limited in Paragraph 4. Limitations in Section I.

4. Limitations

- a. We will not pay for loss of or damage to:

- (1) Steam boilers, steam pipes, steam engines or steam turbines caused by or resulting from any condition or event inside such equipment. But we will pay for loss of or damage to such equipment caused by or resulting from an explosion of gases or fuel within the furnace of any fired vessel or within the flues or passages through which the gases of combustion pass.
- (2) Hot water boilers or other water heating equipment caused by or resulting from any condition or event inside such boilers or equipment, other than an explosion.
- (3) Property that is missing, where the only evidence of the loss or damage is a shortage disclosed on taking inventory, or other instances where there is no physical evidence to show what happened to the property. This limitation does not apply to the Optional Coverage for Money and Securities.
- (4) Property that has been transferred to a person or to a place outside the described premises on the basis of unauthorized instructions.
- (5) The interior of any building or structure caused by or resulting from rain, snow, sleet, ice, sand or dust, whether driven by wind or not, unless:
 - (a) The building or structure first sustains damage by a Covered Cause of Loss to its roof or walls through which the rain, snow, sleet, ice, sand or dust enters; or
 - (b) The loss or damage is caused by or results from thawing of snow, sleet or ice on the building or structure.
- b. We will not pay for loss of or damage to the following types of property unless caused by the "specified causes of loss" or building glass breakage:
 - (1) Animals, and then only if they are killed or their destruction is made necessary.
 - (2) Fragile articles such as glassware, statuary, marble, chinaware and porcelain, if broken. This restriction does not apply to:
 - (a) Glass that is part of the exterior or interior of a building or structure;
 - (b) Containers of property held for sale; or

- (c) Photographic or scientific instrument lenses.
- c. For loss or damage by theft, the following types of property are covered only up to the limits shown:
 - (1) \$2,500 for furs, fur garments and garments trimmed with fur.
 - (2) \$2,500 for jewelry, watches, watch movements, jewels, pearls, precious and semiprecious stones, bullion, gold, silver, platinum and other precious alloys or metals. This limit does not apply to jewelry and watches worth \$100 or less per item.
 - (3) \$2,500 for patterns, dies, molds and forms.

5. Additional Coverages

a. Debris Removal

- (1) Subject to Paragraphs (3) and (4), we will pay your expense to remove debris of Covered Property caused by or resulting from a Covered Cause of Loss that occurs during the policy period. The expenses will be paid only if they are reported to us in writing within 180 days of the date of direct physical loss or damage.
- (2) Debris Removal does not apply to costs to:
 - (a) Extract "pollutants" from land or water; or
 - (b) Remove, restore or replace polluted land or water.
- (3) Subject to the exceptions in Paragraph (4), the following provisions apply:
 - (a) The most that we will pay for the total of direct physical loss or damage plus debris removal expense is the Limit of Insurance applicable to the Covered Property that has sustained loss or damage.
 - (b) Subject to Paragraph (a) above, the amount we will pay for debris removal expense is limited to 25% of the sum of the deductible plus the amount that we pay for direct physical loss or damage to the Covered Property that has sustained loss or damage.

- (4) We will pay up to an additional \$10,000 for debris removal expense, for each location, in any one occurrence of physical loss or damage to Covered Property, if one or both of the following circumstances apply:
 - (a) The total of the actual debris removal expense plus the amount we pay for direct physical loss or damage exceeds the Limit of Insurance on the Covered Property that has sustained loss or damage.
 - (b) The actual debris removal expense exceeds 25% of the sum of the deductible plus the amount that we pay for direct physical loss or damage to the Covered Property that has sustained loss or damage.

Therefore, if Paragraphs (4)(a) and/or (4)(b) apply, our total payment for direct physical loss or damage and debris removal expense may reach but will never exceed the Limit of Insurance on the Covered Property that has sustained loss or damage, plus \$10,000.

(5) Examples

Example #1

Limit of Insurance	\$ 90,000
Amount of Deductible	\$ 500
Amount of Loss	\$ 50,000
Amount of Loss Payable	\$ 49,500
	(\$50,000 – \$500)
Debris Removal Expense	\$ 10,000
Debris Removal Expense Payable	\$ 10,000
	(\$10,000 is 20% of \$50,000)

The debris removal expense is less than 25% of the sum of the loss payable plus the deductible. The sum of the loss payable and the debris removal expense (\$49,500 + \$10,000 = \$59,500) is less than the Limit of Insurance. Therefore the full amount of debris removal expense is payable in accordance with the terms of Paragraph (3).

Example #2

Limit of Insurance	\$ 90,000
Amount of Deductible	\$ 500
Amount of Loss	\$ 80,000
Amount of Loss Payable	\$ 79,500
	(\$80,000 – \$500)
Debris Removal Expense	\$ 30,000

Debris Removal Expense**Payable**

Basic Amount	\$ 10,500
Additional Amount	\$ 10,000

The basic amount payable for debris removal expense under the terms of Paragraph (3) is calculated as follows: \$80,000 (\$79,500 + \$500) x .25 = \$20,000; capped at \$10,500). The cap applies because the sum of the loss payable (\$79,500) and the basic amount payable for debris removal expense (\$10,500) cannot exceed the Limit of Insurance (\$90,000).

The additional amount payable for debris removal expense is provided in accordance with the terms of Paragraph (4), because the debris removal expense (\$30,000) exceeds 25% of the loss payable plus the deductible (\$30,000 is 37.5% of \$80,000), and because the sum of the loss payable and debris removal expense (\$79,500 + \$30,000 = \$109,500) would exceed the Limit of Insurance (\$90,000). The additional amount of covered debris removal expense is \$10,000, the maximum payable under Paragraph (4). Thus the total payable for debris removal expense in this example is \$20,500; \$9,500 of the debris removal expense is not covered.

b. Preservation Of Property

If it is necessary to move Covered Property from the described premises to preserve it from loss or damage by a Covered Cause of Loss, we will pay for any direct physical loss of or damage to that property:

- (1) While it is being moved or while temporarily stored at another location; and
- (2) Only if the loss or damage occurs within 30 days after the property is first moved.

c. Fire Department Service Charge

When the fire department is called to save or protect Covered Property from a Covered Cause of Loss, we will pay up to \$2,500, unless a different limit is shown in the Declarations, for your liability for fire department service charges:

- (1) Assumed by contract or agreement prior to loss; or
- (2) Required by local ordinance.

d. Collapse

The coverage provided under this Additional Coverage – Collapse applies only to an abrupt collapse as described and limited in Paragraphs **d.(1)** through **d.(7)**.

- (1) For the purpose of this Additional Coverage – Collapse, abrupt collapse means an abrupt falling down or caving in of a building or any part of a building with the result that the building or part of the building cannot be occupied for its intended purpose.
- (2) We will pay for direct physical loss or damage to Covered Property, caused by abrupt collapse of a building or any part of a building that is insured under this policy or that contains Covered Property insured under this policy, if such collapse is caused by one or more of the following:
 - (a) Building decay that is hidden from view, unless the presence of such decay is known to an insured prior to collapse;
 - (b) Insect or vermin damage that is hidden from view, unless the presence of such damage is known to an insured prior to collapse;
 - (c) Use of defective material or methods in construction, remodeling or renovation if the abrupt collapse occurs during the course of the construction, remodeling or renovation.
 - (d) Use of defective material or methods in construction, remodeling or renovation if the abrupt collapse occurs after the construction, remodeling or renovation is complete, but only if the collapse is caused in part by:
 - (i) A cause of loss listed in Paragraph (2)(a) or (2)(b);
 - (ii) One or more of the "specified causes of loss";
 - (iii) Breakage of building glass;
 - (iv) Weight of people or personal property; or
 - (v) Weight of rain that collects on a roof.
- (3) This Additional Coverage – Collapse does **not** apply to:
 - (a) A building or any part of a building that is in danger of falling down or caving in;

- (b) A part of a building that is standing, even if it has separated from another part of the building; or
 - (c) A building that is standing or any part of a building that is standing, even if it shows evidence of cracking, bulging, sagging, bending, leaning, settling, shrinkage or expansion.
- (4) With respect to the following property:
- (a) Awnings;
 - (b) Gutters and downspouts;
 - (c) Yard fixtures;
 - (d) Outdoor swimming pools;
 - (e) Piers, wharves and docks;
 - (f) Beach or diving platforms or appurtenances;
 - (g) Retaining walls; and
 - (h) Walks, roadways and other paved surfaces;

if an abrupt collapse is caused by a cause of loss listed in Paragraphs **(2)(a)** through **(2)(d)**, we will pay for loss or damage to that property only if such loss or damage is a direct result of the abrupt collapse of a building insured under this policy and the property is Covered Property under this policy.

- (5) If personal property abruptly falls down or caves in and such collapse is **not** the result of abrupt collapse of a building, we will pay for loss or damage to Covered Property caused by such collapse of personal property only if:
- (a) The collapse of personal property was caused by a cause of loss listed in Paragraphs **(2)(a)** through **(2)(d)** of this Additional Coverage;
 - (b) The personal property which collapses is inside a building; and
 - (c) The property which collapses is not of a kind listed in Paragraph **(4)**, regardless of whether that kind of property is considered to be personal property or real property.

The coverage stated in this Paragraph **(5)** does not apply to personal property if marring and/or scratching is the only damage to that personal property caused by the collapse.

- (6) This Additional Coverage – Collapse does not apply to personal property that has not abruptly fallen down or caved in, even if the personal property shows evidence of cracking, bulging, sagging, bending, leaning, settling, shrinkage or expansion.
- (7) This Additional Coverage – Collapse will not increase the Limits of Insurance provided in this policy.
- (8) The term Covered Cause of Loss includes the Additional Coverage – Collapse as described and limited in Paragraphs **d.(1)** through **d.(7)**.

e. Water Damage, Other Liquids, Powder Or Molten Material Damage

If loss or damage caused by or resulting from covered water or other liquid, powder or molten material occurs, we will also pay the cost to tear out and replace any part of the building or structure to repair damage to the system or appliance from which the water or other substance escapes.

We will not pay the cost to repair any defect that caused the loss or damage; but we will pay the cost to repair or replace damaged parts of fire extinguishing equipment if the damage:

- (1) Results in discharge of any substance from an automatic fire protection system; or
- (2) Is directly caused by freezing.

f. Business Income

(1) Business Income

- (a) We will pay for the actual loss of Business Income you sustain due to the necessary suspension of your "operations" during the "period of restoration". The suspension must be caused by direct physical loss of or damage to property at the described premises. The loss or damage must be caused by or result from a Covered Cause of Loss. With respect to loss of or damage to personal property in the open or personal property in a vehicle, the described premises include the area within 100 feet of the site at which the described premises are located.

BUSINESSOWNER'S POLICY

With respect to the requirements set forth in the preceding paragraph, if you occupy only part of the site at which the described premises are located, your premises means:

- (i) The portion of the building which you rent, lease or occupy; and
 - (ii) Any area within the building or on the site at which the described premises are located, if that area services, or is used to gain access to, the described premises.
- (b)** We will only pay for loss of Business Income that you sustain during the "period of restoration" and that occurs within 12 consecutive months after the date of direct physical loss or damage. We will only pay for ordinary payroll expenses for 60 days following the date of direct physical loss or damage, unless a greater number of days is shown in the Declarations.
- (c)** Business Income means the:
- (i) Net Income (Net Profit or Loss before income taxes) that would have been earned or incurred if no physical loss or damage had occurred, but not including any Net Income that would likely have been earned as a result of an increase in the volume of business due to favorable business conditions caused by the impact of the Covered Cause of Loss on customers or on other businesses; and
 - (ii) Continuing normal operating expenses incurred, including payroll.
- (d)** Ordinary payroll expenses:
- (i) Means payroll expenses for all your employees except:
 - i. Officers;
 - ii. Executives;
 - iii. Department Managers;
 - iv. Employees under contract; and
 - v. Additional Exemptions shown in the Declarations as:
 - Job Classifications; or
 - Employees.

- (ii) Include:
 - i. Payroll;
 - ii. Employee benefits, if directly related to payroll;
 - iii. FICA payments you pay;
 - iv. Union dues you pay; and
 - v. Workers' compensation premiums.

(2) Extended Business Income

- (a)** If the necessary suspension of your "operations" produces a Business Income loss payable under this policy, we will pay for the actual loss of Business Income you incur during the period that:

(i) Begins on the date property except finished stock is actually repaired, rebuilt or replaced and "operations" are resumed; and

(ii) Ends on the earlier of:

- i. The date you could restore your "operations", with reasonable speed, to the level which would generate the Business Income amount that would have existed if no direct physical loss or damage had occurred; or
- ii. 30 consecutive days after the date determined in Paragraph **(a)(i)** above, unless a greater number of consecutive days is shown in the Declarations.

However, Extended Business Income does not apply to loss of Business Income incurred as a result of unfavorable business conditions caused by the impact of the Covered Cause of Loss in the area where the described premises are located.

- (b)** Loss of Business Income must be caused by direct physical loss or damage at the described premises caused by or resulting from any Covered Cause of Loss.

(3) With respect to the coverage provided in this Additional Coverage, suspension means:

- (a)** The partial slowdown or complete cessation of your business activities; or

(b) That a part or all of the described premises is rendered untenable, if coverage for Business Income applies.

(4) This Additional Coverage is not subject to the Limits of Insurance of Section I – Property.

g. Extra Expense

(1) We will pay necessary Extra Expense you incur during the "period of restoration" that you would not have incurred if there had been no direct physical loss or damage to property at the described premises. The loss or damage must be caused by or result from a Covered Cause of Loss. With respect to loss of or damage to personal property in the open or personal property in a vehicle, the described premises include the area within 100 feet of the site at which the described premises are located.

With respect to the requirements set forth in the preceding paragraph, if you occupy only part of the site at which the described premises are located, your premises means:

- (a) The portion of the building which you rent, lease or occupy; and
- (b) Any area within the building or on the site at which the described premises are located, if that area services, or is used to gain access to, the described premises.

(2) Extra Expense means expense incurred:

- (a) To avoid or minimize the suspension of business and to continue "operations":
 - (i) At the described premises; or
 - (ii) At replacement premises or at temporary locations, including relocation expenses, and costs to equip and operate the replacement or temporary locations.
- (b) To minimize the suspension of business if you cannot continue "operations".
- (c) To:
 - (i) Repair or replace any property; or
 - (ii) Research, replace or restore the lost information on damaged "valuable papers and records";

to the extent it reduces the amount of loss that otherwise would have been payable under this Additional Coverage or Additional Coverage f. Business Income.

(3) With respect to the coverage provided in this Additional Coverage, suspension means:

- (a) The partial slowdown or complete cessation of your business activities; or
- (b) That a part or all of the described premises is rendered untenable, if coverage for Business Income applies.

(4) We will only pay for Extra Expense that occurs within 12 consecutive months after the date of direct physical loss or damage. This Additional Coverage is not subject to the Limits of Insurance of Section I – Property.

h. Pollutant Clean-up And Removal

We will pay your expense to extract "pollutants" from land or water at the described premises if the discharge, dispersal, seepage, migration, release or escape of the "pollutants" is caused by or results from a Covered Cause of Loss that occurs during the policy period. The expenses will be paid only if they are reported to us in writing within 180 days of the date on which the Covered Cause of Loss occurs.

This Additional Coverage does not apply to costs to test for, monitor or assess the existence, concentration or effects of "pollutants". But we will pay for testing which is performed in the course of extracting the "pollutants" from the land or water.

- (6) The most we will pay under this Additional Coverage, for each described building insured under Section I – Property, is \$10,000. If a damaged building(s) is covered under a blanket Limit of Insurance which applies to more than one building or item of property, then the most we will pay under this Additional Coverage, for each damaged building, is \$10,000.

The most we will pay under this Additional Coverage is \$5,000 unless a higher Limit of Insurance is indicated in the Declarations.

- (2) We will reduce the amount of your Business Income loss, other than Extra Expense, to the extent you can resume "operations", in whole or in part, by using any other available:

- (b) Requires any insured or others to test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or assess the effects of "pollutants".

The expiration date of this policy will not reduce the Business Income coverage period.

p. Electronic Data

(1) Subject to the provisions of this Additional Coverage, we will pay for the cost to replace or restore "electronic data" which has been destroyed or corrupted by a Covered Cause of Loss. To the extent that "electronic data" is not replaced or restored, the loss will be valued at the cost of replacement of the media on which the "electronic data" was stored, with blank media of substantially identical type.

(2) The Covered Causes of Loss applicable to Business Personal Property include a computer virus, harmful code or similar instruction introduced into or enacted on a computer system (including "electronic data") or a network to which it is connected, designed to damage or destroy any part of the system or disrupt its normal operation. But there is no coverage for loss or damage caused by or resulting from manipulation of a computer system (including "electronic data") by any employee, including a temporary or leased employee, or by an entity retained by you, or for you, to inspect, design, install, modify, maintain, repair or replace that system.

- (3) The most we will pay under this Additional Coverage – Electronic Data for all loss or damage sustained in any one policy year, regardless of the number of occurrences of loss or damage or the number of premises, locations or computer systems involved, is \$10,000, unless a higher Limit of Insurance is shown in the Declarations. If loss payment on the first occurrence does not exhaust this amount, then the balance is available for subsequent loss or damage sustained in, but not after, that policy year. With respect to an occurrence which begins in one policy year and continues or results in additional loss or damage in a subsequent policy year(s), all loss or damage is deemed to be sustained in the policy year in which the occurrence began.

q. Interruption Of Computer Operations

- (1) Subject to all provisions of this Additional Coverage, you may extend the insurance that applies to Business Income and Extra Expense to apply to a suspension of "operations" caused by an interruption in computer operations due to destruction or corruption of "electronic data" due to a Covered Cause of Loss.

- (a) Coverage under this Additional Coverage – Interruption Of Computer Operations is limited to the "specified causes of loss" and Collapse.
 - (b) If the Businessowners Coverage Form is endorsed to add a Covered Cause of Loss, the additional Covered Cause of Loss does not apply to the coverage provided under this Additional Coverage.
 - (c) The Covered Causes of Loss include a computer virus, harmful code or similar instruction introduced into or enacted on a computer system (including "electronic data") or a network to which it is connected, designed to damage or destroy any part of the system or disrupt its normal operation. But there is no coverage for an interruption related to manipulation of a computer system (including "electronic data") by any employee, including a temporary or

leased employee, or by an entity retained by you, or for you, to inspect, design, install, modify, maintain, repair or replace that system.

- (3) The most we will pay under this Additional Coverage – Interruption Of Computer Operations for all loss sustained and expense incurred in any one policy year, regardless of the number of interruptions or the number of premises, locations or computer systems involved, is \$10,000 unless a higher Limit of Insurance is shown in the Declarations. If loss payment relating to the first interruption does not exhaust this amount, then the balance is available for loss or expense sustained or incurred as a result of subsequent interruptions in that policy year. A balance remaining at the end of a policy year does not increase the amount of insurance in the next policy year. With respect to any interruption which begins in one policy year and continues or results in additional loss or expense in a subsequent policy year(s), all loss and expense is deemed to be sustained or incurred in the policy year in which the interruption began.
- (4) This Additional Coverage – Interruption Of Computer Operations does not apply to loss sustained or expense incurred after the end of the "period of restoration", even if the amount of insurance stated in (3) above has not been exhausted.
- (5) Coverage for Business Income does not apply when a suspension of "operations" is caused by destruction or corruption of "electronic data", or any loss or damage to "electronic data", except as provided under Paragraphs (1) through (4) of this Additional Coverage.
- (6) Coverage for Extra Expense does not apply when action is taken to avoid or minimize a suspension of "operations" caused by destruction or corruption of "electronic data", or any loss or damage to "electronic data", except as provided under Paragraphs (1) through (4) of this Additional Coverage.

r. Limited Coverage For "Fungi", Wet Rot Or Dry Rot

- (1) The coverage described in Paragraphs r.(2) and r.(6) only applies when the "fungi", wet rot or dry rot are the result of a "specified cause of loss" other than

BUSINESSOWNER'S POLICY

fire or lightning that occurs during the policy period and only if all reasonable means were used to save and preserve the property from further damage at the time of and after that occurrence.

- (2) We will pay for loss or damage by "fungi", wet rot or dry rot. As used in this Limited Coverage, the term loss or damage means:
 - (a) Direct physical loss or damage to Covered Property caused by "fungi", wet rot or dry rot, including the cost of removal of the "fungi", wet rot or dry rot;
 - (b) The cost to tear out and replace any part of the building or other property as needed to gain access to the "fungi", wet rot or dry rot; and
 - (c) The cost of testing performed after removal, repair, replacement or restoration of the damaged property is completed, provided there is a reason to believe that "fungi", wet rot or dry rot are present.
- (3) The coverage described under this Limited Coverage is limited to \$15,000. Regardless of the number of claims, this limit is the most we will pay for the total of all loss or damage arising out of all occurrences of "specified causes of loss" (other than fire or lightning) which take place in a 12-month period (starting with the beginning of the present annual policy period). With respect to a particular occurrence of loss which results in "fungi", wet rot or dry rot, we will not pay more than the total of \$15,000 even if the "fungi", wet rot or dry rot continues to be present or active, or recurs, in a later policy period.
- (4) The coverage provided under this Limited Coverage does not increase the applicable Limit of Insurance on any Covered Property. If a particular occurrence results in loss or damage by "fungi", wet rot or dry rot, and other loss or damage, we will not pay more, for the total of all loss or damage, than the applicable Limit of Insurance on the affected Covered Property.

If there is covered loss or damage to Covered Property, not caused by "fungi", wet rot or dry rot, loss payment will not be limited by the terms of this Limited Coverage, except to the extent that "fungi", wet rot or dry rot causes an increase in the loss. Any such increase in the loss will be subject to the terms of this Limited Coverage.

- (5) The terms of this Limited Coverage do not increase or reduce the coverage provided under the Water Damage, Other Liquids, Powder Or Molten Material Damage or Collapse Additional Coverages.
- (6) The following applies only if Business Income and/or Extra Expense Coverage applies to the described premises and only if the suspension of "operations" satisfies all the terms and conditions of the applicable Business Income and/or Extra Expense Additional Coverage.
 - (a) If the loss which resulted in "fungi", wet rot or dry rot does not in itself necessitate a suspension of "operations", but such suspension is necessary due to loss or damage to property caused by "fungi", wet rot or dry rot, then our payment under the Business Income and/or Extra Expense is limited to the amount of loss and/or expense sustained in a period of not more than 30 days. The days need not be consecutive.
 - (b) If a covered suspension of "operations" was caused by loss or damage other than "fungi", wet rot or dry rot, but remediation of "fungi", wet rot or dry rot prolongs the "period of restoration", we will pay for loss and/or expense sustained during the delay (regardless of when such a delay occurs during the "period of restoration"), but such coverage is limited to 30 days. The days need not be consecutive.

Also, if feasible, set the damaged property aside and in the best possible order for examination.
- (5) At our request, give us complete inventories of the damaged and undamaged property. Include quantities, costs, values and amount of loss claimed.

 - (i) The actual cash value of the lost or damaged property; or
 - (ii) A proportion of the cost to repair or replace the lost or damaged property, after application of the deductible and without deduction for depreciation. This proportion will equal the ratio of the applicable Limit of Insurance to 80% of the cost of repair or replacement.
- (c) You may make a claim for loss or damage covered by this insurance on an actual cash value basis instead of on a replacement cost basis. In the event you elect to have loss or damage settled on an actual cash value basis, you may still make a claim on a replacement cost basis if you notify us of your intent to do so within 180 days after the loss or damage.
- (d) We will not pay on a replacement cost basis for any loss or damage:
 - (i) Until the lost or damaged property is actually repaired or replaced; and

- (ii) Unless the repairs or replacement are made as soon as reasonably possible after the loss or damage.
 However, if the cost to repair or replace the damaged building property is \$2,500 or less, we will settle the loss according to the provisions of Paragraphs **d.(1)(a)** and **d.(1)(b)** above whether or not the actual repair or replacement is complete.
- (e) The cost to repair, rebuild or replace does not include the increased cost attributable to enforcement of any ordinance or law regulating the construction, use or repair of any property.
- (2) If the Actual Cash Value – Buildings option applies, as shown in the Declarations, Paragraph (1) above does not apply to Buildings. Instead, we will determine the value of Buildings at actual cash value.

 - (ii) Divide the amount determined in (i) above by the number of days from the installation of improvements to the expiration of the lease.
 If your lease contains a renewal option, the expiration of the renewal option period will replace the expiration of the lease in this procedure.
 - (c) Nothing if others pay for repairs or replacement.
- (6) Applicable only to the Optional Coverages:
 - (a) "Money" at its face value; and
 - (b) "Securities" at their value at the close of business on the day the loss is discovered.

 - (i) We will determine the total of the average monthly amounts of accounts receivable for the 12 months immediately preceding the month in which the loss or damage occurs; and
 - (ii) We will adjust that total for any normal fluctuations in the amount of accounts receivable for the month in which the loss or damage occurred or for any demonstrated variance from the average for that month.

We will not pay the owners more than their financial interest in the Covered Property.
- f. We may elect to defend you against suits arising from claims of owners of property. We will do this at our expense.

6. Recovered Property

If either you or we recover any property after loss settlement, that party must give the other prompt notice. At your option, you may retain the property. However, coverage provided by this Optional Coverage may be reinstated for loss from a mechanical breakdown or electrical failure to that pressure, mechanical or electrical machinery and equipment if the reasons for the suspension are found by any of our representatives to no longer exist.

We may suspend or reinstate this Optional coverage by mailing or delivering a written notification regarding the suspension or reinstatement to:

If the sum of the advance and audit premiums paid for the policy period is greater than the earned premium, we will return the excess to the first Named Insured.

***DON'T BE

Each year, smoking-related fires result in millions of dollars in damages to property and structures as well as injuries and death.

Risks can be minimized by following best-practices like: (1) discouraging or prohibiting smoking within residences; (2) emphasizing the importance of properly disposing cigarette/cigar butts and matches; (3) establishing designated outside smoking areas away from buildings or structures; and (4) providing outdoor ashtrays or receptacles where smokers can safely dispose of smoking materials.

THE IMPACT OF SMOKING FIRES

Annually, U.S. fire departments respond to approximately 18,100 smoking-material fires that result in:

- **590** deaths
- **1,130** injuries
- **\$476 million** in direct property damage

*annual averages from 2012-2016.

Other tips for homeowners, tenants, and businesses include:

- Smoke outside.
- Don't throw smoking materials (butts, matches, ashes, etc.) into vegetation, potted plants, dried grass areas, mulch, or landscaping.
- If you are drowsy, put out your cigarette, cigar, etc.
- When smoking, use deep, sturdy ashtrays placed on a sturdy solid, hard-to-ignite surface.
- Never leave a lit cigarette, cigar, etc. unattended.
- Never smoke in an area where oxygen is used.
- Before you throw out butts and ashes, make sure they are OUT. (Dowsing in water or sand is best.)
- Periodically check and clean designated smoking areas; look under and between furniture cushions and in other places for materials that may have fallen out of sight.

Section I – Property is amended as follows:

A. Each Coverage – Coverage 1, Coverage 2 and Coverage 3 – is provided under this endorsement only if that Coverage(s) is chosen by entry in the above Schedule and then only with respect to the building identified for the Coverage(s) in the Schedule.

B. Application Of Coverage(s)

The Coverage(s) provided by this endorsement apply only if both **B.1.** and **B.2.** are satisfied and are then subject to the qualifications set forth in **B.3.**

1. The ordinance or law:

- a.** Regulates the demolition, construction or repair of buildings, or establishes zoning or land use requirements at the described premises; and
- b.** Is in force at the time of loss.

But coverage under this endorsement applies only in response to the minimum requirements of the ordinance or law. Losses and costs incurred in complying with recommended actions or standards that exceed actual requirements are not covered under this endorsement.

2. The building sustains direct physical damage:

- a.** That is covered under this policy and such damage results in enforcement of the ordinance or law; or
- b.** That is covered under this policy and direct physical damage that is not covered under this policy, and the building damage in its entirety results in enforcement of the ordinance or law.

- c. But if the damage is not covered under this policy, and such damage is the subject of the ordinance or law, then there is no coverage under this endorsement even if the building has also sustained covered direct physical damage.

- 3. In the situation described in **B.2.b.** above, we will not pay the full amount of loss otherwise payable under the terms of Coverages **1, 2** and/or **3** of this endorsement. Instead, we will pay a proportion of such loss; meaning the proportion that the covered direct physical damage bears to the total direct physical damage.

(Section **H.** of this endorsement provides an example of this procedure.)

However, if the covered direct physical damage alone would have resulted in enforcement of the ordinance or law, then we will pay the full amount of loss otherwise payable under terms of Coverages **1, 2** and/or **3** of this endorsement.

- C. We will not pay under Coverage **1, 2,** or **3** of this endorsement for:

- 1. Enforcement of any ordinance or law which requires the demolition, repair, replacement, reconstruction, remodeling or remediation of property due to contamination by "pollutants" or due to the presence, growth, proliferation, spread of any activity of "fungi", wet or dry rot or bacteria; or
- 2. The costs associated with the enforcement of any ordinance or law which requires any insured or others to test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or assess the effects of "pollutants", "fungi", wet or dry rot or bacteria.

D. Coverage

1. Coverage 1 – Coverage For Loss To The Undamaged Portion Of The Building

With respect to the building that has sustained covered direct physical damage, we will pay under Coverage **1** for the loss in value of the undamaged portion of the building as a consequence of enforcement of an ordinance or law that requires demolition of undamaged parts of the same building. Coverage **1** is included within the Limit of Insurance shown in the Declarations as applicable to the covered building. Coverage **1** does not increase the Limit of Insurance.

2. Coverage 2 – Demolition Cost Coverage

With respect to the building that has sustained covered direct physical damage, we will pay the cost to demolish and clear the site of undamaged parts of the same building, as a consequence of enforcement of an ordinance or law that requires demolition of such undamaged property.

Paragraph **E.5.d. Loss Payment** Property Loss Condition does not apply to Demolition Cost Coverage.

3. Coverage 3 – Increased Cost Of Construction Coverage

With respect to the building that has sustained covered direct physical damage, we will pay the increased cost to:

- a. Repair or reconstruct damaged portions of that building; and/or
- b. Reconstruct or remodel undamaged portions of that building, whether or not demolition is required;

when the increased cost is a consequence of enforcement of the minimum requirements of the ordinance or law.

However:

- a. This coverage applies only if the restored or remodeled property is intended for similar occupancy as the current property, unless such occupancy is not permitted by zoning or land use ordinance or law.
- b. We will not pay for the increased cost of construction if the building is not repaired, reconstructed or remodeled.

Paragraph **E.5.d. Loss Payment** Property Loss Condition does not apply to the Increased Cost of Construction Coverage.

E. Loss Payment

- 1. All following loss payment Provisions **E.2.** through **E.5.**, are subject to the apportionment procedure set forth in Section **B.3.** of this endorsement.

- 2. When there is a loss in value of an undamaged portion of a building to which Coverage **1** applies, the loss payment for that building, including damaged and undamaged portions, will be determined as follows:

- a. If the property is repaired or replaced on the same or another premises, we will not pay more than the lesser of:

- (1) The amount you actually spend to repair, rebuild or reconstruct the building, but not for more than the amount it would cost to restore the building on the same premises and to the same height, floor area, style and comparable quality of the original property insured; or

- (2) The Limit of Insurance shown in the Declarations as applicable to the covered building.

- b. If the property is **not** repaired or replaced, we will not pay more than the lesser of:

- (1) The actual cash value of the building at the time of loss; or
 - (2) The Limit of Insurance shown in the Declarations as applicable to the covered building.
3. Unless Paragraph **E.5.** applies, loss payment under Coverage **2** – Demolition Cost Coverage will be determined as follows:
- We will not pay more than the lesser of the following:
- a. The amount you actually spend to demolish and clear the site of the described premises; or
 - b. The applicable Limit of Insurance shown for Coverage **2** in the Schedule above.
4. Unless Paragraph **E.5.** applies, loss payment under Coverage **3** – Increased Cost of Construction Coverage will be determined as follows:
- a. We will not pay under Coverage **3**:
 - (1) Until the property is actually repaired or replaced, at the same or another premises; and
 - (2) Unless the repairs or replacement are made as soon as reasonably possible after the loss or damage, not to exceed two years. We may extend this period in writing during the two years.
 - b. If the building is repaired or replaced at the same premises, or if you elect to rebuild at another premises, the most we will pay under Coverage **3** is the lesser of:
 - (1) The increased cost of construction at the same premises; or
 - (2) The applicable Limit of Insurance shown for Coverage **3** in the Schedule above.
 - c. If the ordinance or law requires relocation to another premises, the most we will pay under Coverage **3** is the lesser of:
 - (1) The increased cost of construction at the new premises; or
 - (2) The applicable Limit of Insurance shown for Coverage **3** in the Schedule above.
5. If a **Combined** Limit of Insurance is shown for Coverages **2** and **3** in the Schedule above, Paragraphs **E.2.** and **E.3.** of this endorsement do not apply with respect to the Building property that is subject to the Combined Limit, and the following loss payment provisions apply instead:

The most we will pay, for the total of all covered losses for Demolition Cost and Increased Cost of Construction, is the Combined Limit of Insurance shown for Coverages **2** and **3** in the Schedule above. Subject to this Combined Limit of Insurance, the following loss payment provisions apply:

- a. For Demolition Cost, we will not pay more than the amount you actually spend to demolish and clear the site of the described premises.
 - b. With respect to the Increased Cost of Construction:
 - (1) We will not pay for the increased cost of construction:
 - (a) Until the property is actually repaired or replaced, at the same or another premises; and
 - (b) Unless the repairs or replacement are made as soon as reasonably possible after the loss or damage, not to exceed two years. We may extend this period in writing during the two years.
 - (2) If the building is repaired or replaced at the same premises, or if you elect to rebuild at another premises, the most we will pay for the increased cost of construction is the increased cost of construction at the same premises.
 - (3) If the ordinance or law requires relocation to another premises, the most we will pay for the increased cost of construction is the increased cost of construction at the new premises.
- F. The terms of this endorsement apply separately to each building to which this endorsement applies.
- G. Under this endorsement, we will not pay for loss due to any ordinance or law that:
- 1. You were required to comply with before the loss, even if the building was undamaged; and
 - 2. You failed to comply with.
- H. Example of Proportionate Loss Payment for Ordinance or Law Coverage Losses (procedure as set forth in Section **B.3.** of this endorsement).
- Assume:
- Wind is a Covered Cause of Loss. Flood is an excluded Cause of Loss;
 - The building has a value of \$200,000;
 - Total direct physical damage to building: \$100,000;
 - The ordinance or law in this jurisdiction is enforced when building damage equals or exceeds 50% of the building's value;

- Portion of direct physical damage that is covered (caused by wind): \$30,000;
- Portion of direct physical damage that is not covered (caused by flood): \$70,000; and
- Loss under Ordinance or Law Coverage 3 of this endorsement: \$60,000.

Step 1: Determine the proportion that the covered direct physical damage bears to the total direct physical damage.

$\$30,000 \text{ divided by } \$100,000 = .30$

Step 2: Apply that proportion to the Ordinance or Law loss.

$\$60,000 \times .30 = \$18,000$

In this example, the most we will pay under this endorsement for the Coverage 3 loss is \$18,000, subject to the applicable Limit of Insurance and any other applicable provisions.

NOTE: The same procedure applies to losses under Coverages 1 and 2 of this endorsement.

- I. If shown as applicable in the Schedule of this endorsement, the following applies:

**BUSINESS INCOME AND EXTRA EXPENSE
OPTIONAL COVERAGE**

1. If a Covered Cause of Loss occurs to property at the premises described in the Declarations, coverage is extended to include the amount of actual and necessary loss you sustain during the increased period of suspension of your "operations" caused by or resulting from the enforcement of any ordinance or law that:
 - a. Regulates the construction or repair of any property;
 - b. Requires the tearing down of parts of any property not damaged by a Covered Cause of Loss; and
 - c. Is in force at the time of loss.

However, coverage is not extended under this endorsement to include loss caused by or resulting from the enforcement of any ordinance or law which requires any insured or others to test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or assess the effects of "pollutants".

2. Paragraph H.9. **Period Of Restoration** Definition is replaced by the following:

9. "Period of Restoration" means the period of time that:
 - a. Begins:

- (1) 72 hours after the time of direct physical loss or damage caused by or resulting from any Covered Cause of Loss at the described premises, unless a lesser number of hours is shown in the Schedule of the endorsement; or
 - (2) Immediately after the time of the direct physical loss or damage for Extra Expense Coverage caused by or resulting from any Covered Cause of Loss at the described premises; and
- b. Ends on the earlier of:
- (1) The date when the property at the described premises should be repaired, rebuilt or replaced with reasonable speed and similar quality; or
 - (2) The date when business is resumed at a new permanent location.

"Period of restoration" includes any increased period required to repair or reconstruct the property to comply with the minimum standards of any ordinance or law, in force at the time of loss, that regulates the construction or repair, or requires the tearing down of any property.

The expiration date of this policy will not cut short the "period of restoration".

EXCLUSION OF CERTIFIED ACTS OF TERRORISM

This endorsement modifies insurance provided under the following:

BUSINESSOWNERS COVERAGE FORM

SCHEDULE

The Exception Covering Certain Fire Losses (Paragraph B.2.) applies to property located in the following state(s):
Information required to complete this Schedule, if not shown above, will be shown in the Declarations.

- A.** The following provisions are added to the Businessowners Policy and apply to Property and Liability Coverages:
 - 1.** The following definition is added with respect to the provisions of this endorsement:
 "Certified act of terrorism" means an act that is certified by the Secretary of the Treasury, in accordance with the provisions of the federal Terrorism Risk Insurance Act, to be an act of terrorism pursuant to such Act. The criteria contained in the Terrorism Risk Insurance Act for a "certified act of terrorism" include the following:
 - a.** The act resulted in insured losses in excess of \$5 million in the aggregate, attributable to all types of insurance subject to the Terrorism Risk Insurance Act; and
 - b.** The act is a violent act or an act that is dangerous to human life, property or infrastructure and is committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion.
 - 2.** The terms and limitations of any terrorism exclusion, or the inapplicability or omission of a terrorism exclusion, do not serve to create coverage for loss or injury or damage that is otherwise excluded under this Policy.
- B.** The following provisions are added to Businessowners Standard Property Coverage Form **BP 00 01**, Businessowners Special Property Coverage Form **BP 00 02** or **Section I – Property** of Businessowners Coverage Form **BP 00 03**:
 - 1.** The following exclusion is added:
CERTIFIED ACT OF TERRORISM EXCLUSION
 We will not pay for loss or damage caused directly or indirectly by a "certified act of terrorism". Such loss or damage is excluded regardless of any other cause or event that contributes concurrently or in any sequence to the loss.

2. Exception Covering Certain Fire Losses

The following exception to the exclusion in Paragraph **B.1.** applies only if indicated and as indicated in the Schedule of this endorsement.

If a "certified act of terrorism" results in fire, we will pay for the loss or damage caused by that fire. Such coverage for fire applies only to direct loss or damage by fire to Covered Property. Therefore, for example, the coverage does not apply to insurance provided under Business Income and/or Extra Expense Additional Coverages.

If aggregate insured losses attributable to terrorist acts certified under the Terrorism Risk Insurance Act exceed \$100 billion in a calendar year and we have met our insurer deductible under the Terrorism Risk Insurance Act, we shall not be liable for the payment of any portion of the amount of such losses that exceeds \$100 billion, and in such case insured losses up to that amount are subject to pro rata allocation in accordance with procedures established by the Secretary of the Treasury.

C. The following provision is added to the Businessowners Liability Coverage Form **BP 00 06** or **Section II – Liability** of the Businessowners Coverage Form **BP 00 03**:

1. The following exclusion is added:

This insurance does not apply to:

TERRORISM

"Any injury or damage" arising, directly or indirectly, out of a "certified act of terrorism".

2. The following definition is added:

For the purposes of this endorsement, "any injury or damage" means any injury or damage covered under any Coverage Form to which this endorsement is applicable, and includes but is not limited to "bodily injury", "property damage" or "personal and advertising injury" as may be defined in any applicable Coverage Form.

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

EXCLUSION OF CERTIFIED ACTS OF TERRORISM AND EXCLUSION OF OTHER ACTS OF TERRORISM COMMITTED OUTSIDE THE UNITED STATES

This endorsement modifies insurance provided under the following:

BUSINESSOWNERS COVERAGE FORM

The following provisions are added to the Businessowners Liability Coverage Form **BP 00 06** and **Section II – Liability** of the Businessowners Coverage Form **BP 00 03**:

A. The following exclusion is added:

This insurance does not apply to:

TERRORISM

"Any injury or damage" arising directly or indirectly, out of a "certified act of terrorism", or out of an "other act of terrorism" that is committed outside of the United States (including its territories and possessions and Puerto Rico), but within the "coverage territory". However, with respect to an "other act of terrorism", this exclusion applies only when one or more of the following are attributed to such act:

1. The total of insured damage to all types of property exceeds \$25,000,000 (valued in U.S. dollars). In determining whether the \$25,000,000 threshold is exceeded, we will include all insured damage sustained by property of all persons and entities affected by the terrorism and business interruption losses sustained by owners or occupants of the damaged property. For the purpose of this provision, insured damage means damage that is covered by any insurance plus damage that would be covered by any insurance but for the application of any terrorism exclusions; or
2. Fifty or more persons sustain death or serious physical injury. For the purposes of this provision, serious physical injury means:
 - a. Physical injury that involves a substantial risk of death; or

b. Protracted and obvious physical disfigurement; or

c. Protracted loss of or impairment of the function of a bodily member or organ; or

3. The terrorism involves the use, release or escape of nuclear materials, or directly or indirectly results in nuclear reaction or radiation or radioactive contamination; or
4. The terrorism is carried out by means of the dispersal or application of pathogenic or poisonous biological or chemical materials; or
5. Pathogenic or poisonous biological or chemical materials are released, and it appears that one purpose of the terrorism was to release such materials.

With respect to this exclusion, Paragraphs **1.** and **2.** describe the thresholds used to measure the magnitude of an incident of an "other act of terrorism" and the circumstances in which the threshold will apply for the purpose of determining whether this exclusion will apply to that incident.

B. The following definitions are added:

1. For the purposes of this endorsement, "any injury or damage" means any injury or damage covered under any Coverage Form to which this endorsement is applicable, and includes but is not limited to "bodily injury", "property damage" or "personal and advertising injury" as may be defined in any applicable Coverage Form.

2. "Certified act of terrorism" means an act that is certified by the Secretary of the Treasury, in accordance with the provisions of the federal Terrorism Risk Insurance Act, to be an act of terrorism pursuant to such Act. The criteria contained in the Terrorism Risk Insurance Act for a "certified act of terrorism" include the following:
- a. The act resulted in insured losses in excess of \$5 million in the aggregate, attributable to all types of insurance subject to the Terrorism Risk Insurance Act;
 - b. The act resulted in damage:
 - (1) Within the United States (including its territories and possessions and Puerto Rico); or
 - (2) Outside of the United States in the case of:
 - (a) An air carrier (as defined in Section 40102 of title 49, United States Code) or United States flag vessel (or a vessel based principally in the United States, on which United States income tax is paid and whose insurance coverage is subject to regulation in the United States), regardless of where the loss occurs; or
 - (b) The premises of any United States mission; and
 - (c) The act is a violent act or an act that is dangerous to human life, property or infrastructure and is committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion.
3. "Other act of terrorism" means a violent act or an act that is dangerous to human life, property or infrastructure that is committed by an individual or individuals and that appears to be part of an effort to coerce a civilian population or to influence the policy or affect the conduct of any government by coercion, and the act is not a "certified act of terrorism".
- Multiple incidents of an "other act of terrorism" which occur within a seventy-two hour period and appear to be carried out in concert or to have a related purpose or common leadership shall be considered to be one incident.
- C. The terms and limitations of any terrorism exclusion, or the inapplicability or omission of a terrorism exclusion, do not serve to create coverage for injury or damage that is otherwise excluded under this Policy.

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

EXCLUSION OF PUNITIVE DAMAGES RELATED TO A CERTIFIED ACT OF TERRORISM

This endorsement modifies insurance provided under the following:

1. The act resulted in insured losses in excess of \$5 million in the aggregate, attributable to all types of insurance subject to the Terrorism Risk Insurance Act; and

2. The act is a violent act or an act that is dangerous to human life, property or infrastructure and is committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion.

- C.** The terms and limitations of any terrorism exclusion, or the inapplicability or omission of a terrorism exclusion, do not serve to create coverage for injury or damage that is otherwise excluded under this Policy.

EQUIPMENT BREAKDOWN COVERAGE

This endorsement modifies insurance provided under the following:

BUSINESSOWNER'S COVERAGE FORM

A. The following is added to **Paragraph A.3. Covered Causes of Loss** in **SECTION I – PROPERTY**:

Additional Coverage-- Equipment Breakdown

The term Covered Cause of Loss includes the Additional Coverage Equipment Breakdown as described and limited below.

1. We will pay for direct physical damage to Covered Property that is the direct result of an "accident." As used in this Additional Coverage, "accident" means a fortuitous event that causes direct physical damage to "covered equipment." The event must be one of the following:
 - a. mechanical breakdown, including rupture or bursting caused by centrifugal force;
 - b. artificially generated electrical, magnetic or electromagnetic energy, including electric arcing, that damages, disturbs, disrupts or otherwise interferes with any electrical or electronic wire, device, appliance, system or network;
 - c. explosion of steam boilers, steam pipes, steam engines or steam turbines owned or leased by you, or operated under your control;
 - d. loss or damage to steam boilers, steam pipes, steam engines or steam turbines caused by or resulting from any condition or event inside such equipment; or
 - e. loss or damage to hot water boilers or other water heating equipment caused by or resulting from any condition or event inside such boilers or equipment.
2. Unless otherwise shown in a Schedule, the following coverages also apply to the direct result of an "accident." These coverages do not provide additional amounts of insurance.

a. Expediting Expenses

With respect to your damaged Covered Property, we will pay the reasonable extra cost to:

- (1) make temporary repairs; and
- (2) expedite permanent repairs or permanent replacement.

The most we will pay for loss or expense under this coverage is \$25,000 unless otherwise shown in a Schedule.

b. Hazardous Substances

We will pay for the additional cost to repair or replace Covered Property because of contamination by a "hazardous substance." This includes the additional expenses to clean up or dispose of such property.

This does not include contamination of "perishable goods" by refrigerant, including but not limited to ammonia, which is addressed in **2.c.(1)(b)** below. As used in this coverage, additional costs mean those beyond what would have been payable under this Equipment Breakdown Coverage had no "hazardous substance" been involved.

BUSINESSOWNER'S – Equipment Breakdown Coverage Endorsement

The most we will pay for loss, damage or expense under this coverage, including actual loss of Business Income you sustain and necessary Extra Expense you incur, is \$25,000 unless otherwise shown in a Schedule.

c. Spoilage

- (1) We will pay:
 - (a) for physical damage to “perishable goods” due to spoilage;
 - (b) for physical damage to “perishable goods” due to contamination from the release of refrigerant, including but not limited to ammonia;
 - (c) any necessary expenses you incur to reduce the amount of loss under this coverage to the extent that they do not exceed the amount of loss that otherwise would have been payable under this coverage.
- (2) If you are unable to replace the “perishable goods” before its anticipated sale, the amount of our payment will be determined on the basis of the sales price of the “perishable goods” at the time of the “accident,” less discounts and expenses you otherwise would have had. Otherwise our payment will be determined in accordance with the Loss Payment condition.

The most we will pay for loss, damage or expense under this coverage is \$25,000 unless otherwise shown in a Schedule.

d. Data Restoration

We will pay for your reasonable and necessary cost to research, replace and restore lost “electronic data.”

The most we will pay for loss or expense under this coverage, including actual loss of Business Income you sustain and necessary Extra Expense you incur, is \$25,000 unless otherwise shown in a Schedule.

e. Service Interruption

- (1) Any insurance provided for Business Income, Extra Expense or Spoilage is extended to apply to your loss, damage or expense caused by the interruption of utility services. The interruption must result from an “accident” to equipment, including overhead transmission lines, that is owned by a utility, landlord, a landlord’s utility or other supplier who provides you with any of the following services: electrical power, waste disposal, air conditioning, refrigeration, heating, natural gas, compressed air, water, steam, internet access, telecommunications services, wide area networks or data transmission. The equipment must meet the definition of “covered equipment” except that it is not Covered Property.
- (2) Unless otherwise shown in a Schedule, coverage for any loss of Business Income you sustain that results from the interruption of utility services will not apply unless the failure or disruption of service exceeds 24 hours immediately following the “accident.” If the interruption exceeds 24 hours, coverage will begin at the time of the interruption and the deductible applicable to Business Income will apply.
- (3) The most we will pay in any “one accident” for loss, damage or expense under this coverage is the applicable limit for Business Income, Extra Expense or Spoilage, except that if a limit is shown in a Schedule for Service Interruption, that limit will apply to Business Income and Extra Expense loss under this coverage.

f. Business Income and Extra Expense

Any insurance provided under this policy for Business Income or Extra Expense is extended to the coverage provided by this endorsement. However, if a deductible is shown in a Schedule, then as respects Equipment Breakdown coverage, the “period of restoration” will begin immediately after the “accident,” and the deductible shown in the Schedule will apply.

The most we will pay for loss or expense under this coverage is the applicable limit for Business Income and Extra Expense, unless otherwise shown in a Schedule.

B. The following is added to **Paragraph B. Exclusions**:

Equipment Breakdown Exclusions

All exclusions in the Businessowners Coverage Form apply except as modified below and to the extent that coverage is specifically provided by this Additional Coverage Equipment Breakdown.

1. The following exclusions are modified:
 - a. As respects this endorsement only, the next to the last paragraph in **Exclusion B.1.h.** is deleted and replaced with the following:
However, if excluded loss or damage, as described in **Paragraph (1)** above results in an “accident,” we will pay only for the loss, damage or expense caused by such “accident.”
 - b. As respects this endorsement only, the last paragraph of **Exclusion B.2.I.** is deleted and replaced with the following:
But if an excluded cause of loss that is listed in 2.I.(1) through (7) results in an “accident,” we will pay for the loss, damage or expense caused by that “accident.”
 - c. The following is added to **Exclusions B.2.m.** and **B.2.n.**:
We will also pay for direct physical loss or damage caused by an “accident.”
2. The following exclusions are added:
 - a. We will not pay for loss, damage or expense caused by or resulting from:
 - (1) a hydrostatic, pneumatic or gas pressure test of any boiler or pressure vessel, or an electrical insulation breakdown test of any type of electrical equipment; or
 - (2) any of the following:
 - (a) defect, programming error, programming limitation, computer virus, malicious code, loss of data, loss of access, loss of use, loss of functionality or other condition within or involving “electronic data” of any kind; or
 - (b) misalignment, miscalibration, tripping off-line, or any condition which can be corrected by resetting, tightening, adjusting or cleaning, or by the performance of maintenance.
However, if an “accident” results, we will pay for the resulting loss, damage or expense caused by that “accident.”
 - b. With respect to Service Interruption coverage, we will also not pay for an “accident” caused by or resulting from: fire; lightning; windstorm or hail; explosion (except as specifically provided in A.1.c. above); smoke; aircraft or vehicles; riot or civil commotion; vandalism; sprinkler leakage; falling objects; weight of snow, ice or sleet; freezing; collapse; flood or earth movement.
 - c. With respect to Business Income, Extra Expense and Service Interruption coverages, we will also not pay for:
 - (1) loss caused by your failure to use due diligence and dispatch and all reasonable means to resume business; or
 - (2) any increase in loss resulting from an agreement between you and your customer or supplier.

C. Deductibles

The deductible in the Declarations applies unless a separate Equipment Breakdown deductible is shown in a Schedule. If a separate Equipment Breakdown deductible is shown, the following applies.

Only as regards Equipment Breakdown Coverage, provision **D. Deductibles** is deleted and replaced with the following:

1. Deductibles for Each Coverage

- a. Unless the Schedule indicates that your deductible is combined for all coverages, multiple deductibles may apply to any “one accident.”
- b. We will not pay for loss, damage or expense under any coverage until the amount of the covered loss, damage or expense exceeds the deductible amount indicated for that coverage in the Schedule. We will then

pay the amount of loss, damage or expense in excess of the applicable deductible amount, subject to the applicable limit.

- c. If deductibles vary by type of “covered equipment” and more than one type of “covered equipment” is involved in any “one accident,” only the highest deductible for each coverage will apply.

2. Direct and Indirect Coverages

- a. Direct Coverages Deductibles and Indirect Coverages Deductibles may be indicated in the Schedule.
- b. Unless more specifically indicated in the Schedule:
 - (1) Indirect Coverages Deductibles apply to Business Income and Extra Expense loss; and
 - (2) Direct Coverages Deductibles apply to all remaining loss, damage or expense covered by this endorsement.

3. Application of Deductibles

a. Dollar Deductibles

We will not pay for loss, damage or expense resulting from any “one accident” until the amount of loss, damage or expense exceeds the applicable Deductible shown in the Schedule. We will then pay the amount of loss, damage or expense in excess of the applicable Deductible or Deductibles, up to the applicable Limit of Insurance.

b. Time Deductible

If a time deductible is shown in the Schedule, we will not be liable for any loss occurring during the specified number of hours or days immediately following the “accident.” If a time deductible is expressed in days, each day shall mean twenty-four consecutive hours.

c. Multiple of Average Daily Value (ADV)

If a deductible is expressed as a number times ADV, that amount will be calculated as follows: The ADV (Average Daily Value) will be the Business Income (as defined in any Business Income coverage that is part of this policy) that would have been earned during the period of interruption of business had no “accident” occurred, divided by the number of working days in that period. No reduction shall be made for the Business Income not being earned, or in the number of working days, because of the “accident” or any other scheduled or unscheduled shutdowns during the period of interruption. The ADV applies to the Business Income value of the entire location, whether or not the loss affects the entire location. If more than one location is included in the valuation of the loss, the ADV will be the combined value of all affected locations. For purposes of this calculation, the period of interruption may not extend beyond the “period of restoration”. The number indicated in the Schedule will be multiplied by the ADV as determined above. The result shall be used as the applicable deductible.

d. Percentage of Loss Deductibles

If a deductible is expressed as a percentage of loss, we will not be liable for the indicated percentage of the gross amount of loss, damage or expense (prior to any applicable deductible or coinsurance) insured under the applicable coverage. If the dollar amount of such percentage is less than the indicated minimum deductible, the minimum deductible will be the applicable deductible.

D. Conditions

The following conditions are in addition to the Conditions in the Businessowners Coverage Form.

1. Suspension

Whenever “covered equipment” is found to be in, or exposed to, a dangerous condition, any of our representatives may immediately suspend the insurance against loss from an “accident” to that “covered equipment.” This can be done by mailing or delivering a written notice of suspension to:

- a. your last known address; or

- b. the address where the “covered equipment” is located.

Once suspended in this way, your insurance can be reinstated only by an endorsement for that “covered equipment.” If we suspend your insurance, you will get a pro rata refund of premium for that “covered equipment” for the period of suspension. But the suspension will be effective even if we have not yet made or offered a refund.

2. Jurisdictional Inspections

If any property that is “covered equipment” under this endorsement requires inspection to comply with state or municipal boiler and pressure vessel regulations, we agree to perform such inspection on your behalf. We do not warrant that conditions are safe or healthful.

3. Environmental, Safety and Efficiency Improvements

If “covered equipment” requires replacement due to an “accident,” we will pay your additional cost to replace with equipment that is better for the environment, safer or more efficient than the equipment being replaced.

However, we will not pay more than 125% of what the cost would have been to replace with like kind and quality. This condition does not increase any of the applicable limits. This condition does not apply to any property to which Actual Cash Value applies.

4. Coinsurance

If a coinsurance percentage is shown in a Schedule for specified coverages, the following condition applies.

We will not pay for the full amount of your loss if the applicable limit is less than the product of the specified coinsurance percentage times the value of the property subject to the coverage at the time of the loss. Instead, we will determine what percentage this calculated product is compared to the applicable limit and apply that percentage to the gross amount of loss. We will then subtract the applicable deductible. The resulting amount, or the applicable limit, is the most we will pay. We will not pay for the remainder of the loss. Coinsurance applies separately to each insured location.

E. The following definitions are added:

- 1. “Boilers and vessels” means:

- a. Any boiler, including attached steam, condensate and feedwater piping; and
- b. Any fired or unfired pressure vessel subject to vacuum or internal pressure other than the static pressure of its contents.

This term does not appear elsewhere in this endorsement, but may appear in a Schedule.

- 2. “Covered equipment”

- a. “Covered equipment” means, unless otherwise specified in a Schedule, Covered Property:
 - (1) that generates, transmits or utilizes energy, including electronic communications and data processing equipment; or
 - (2) which, during normal usage, operates under vacuum or pressure, other than the weight of its contents.
- b. None of the following is “covered equipment”:
 - (1) structure, foundation, cabinet, compartment or air supported structure or building;
 - (2) insulating or refractory material;
 - (3) sewer piping, buried vessels or piping, or piping forming a part of a sprinkler or fire suppression system;
 - (4) water piping other than boiler feedwater piping, boiler condensate return piping or water piping forming a part of a refrigerating or air conditioning system;
 - (5) “vehicle” or any equipment mounted on a “vehicle”;
 - (6) satellite, spacecraft or any equipment mounted on a satellite or spacecraft;
 - (7) dragline, excavation or construction equipment; or
 - (8) equipment manufactured by you for sale.

6. "Production machinery" means any machine or apparatus that processes or produces a product intended for eventual sale. This includes all component parts of such machine or apparatus. This term does not appear elsewhere in this endorsement, but may appear in a Schedule.

However, any property that is stationary, permanently installed at a covered location and that receives electrical power from an external power source will not be considered a "vehicle."

The most we will pay for loss, damage or expense under this endorsement arising from any "one accident" is the applicable Limit of Insurance in the Declarations unless otherwise shown in a Schedule. Coverage provided under this endorsement does not provide an additional amount of insurance.

For the purposes of the coverage provided by this endorsement, **Section II – Liability** is amended as follows:

A. The following are added to Paragraph A. Coverages:

1. Insuring Agreement – Management Liability

- a. We will pay on behalf of an "insured person" any "loss" which the "insured person" becomes legally obligated to pay as a result of a "claim" first made against that "insured person" during the policy period or during the Extended Reporting Period, if purchased, as described in Paragraph G., except to the extent that the "association" has indemnified the "insured person" for such "loss".

However, this insurance applies only to a "claim" arising out of a "wrongful act" committed by the "insured person" which occurs on or after the Retroactive Date, if any, shown in the Schedule, and before the end of the policy period.

- b. If a "claim" against an "insured person" includes a "claim" against the "insured person's" spouse (whether such status is derived by reason of statutory or common law, or any other law of any country) solely by reason of:

- (1) Such spousal status; or
- (2) Such spouse's ownership interest in property or assets that are sought as recovery for the "wrongful act" committed or allegedly committed by the "insured person";

all "loss" which such spouse becomes legally obligated to pay by reason of such "claim" will be treated for the purposes of this endorsement as "loss" which the "insured person" becomes legally obligated to pay as a result of the "claim" made against such "insured person". Such "loss" to the spouse will be covered under this endorsement only if and to the extent that such "loss" would be covered if incurred by the "insured person".

However, this Paragraph **b.** does not apply to a "claim" arising out of any "wrongful act" committed or allegedly committed by the "insured person's" spouse.

- c.** This insurance also applies to "claims" arising out of the "wrongful acts" of an "insured person" made against:
- (1)** The estate, heirs or legal representatives of a deceased "insured person"; and
 - (2)** The legal representative of that "insured person" in the event of incompetency, insolvency or bankruptcy.

However, this Paragraph **c.** only applies to "claims" if and to the extent that, in the absence of such death, incompetency, insolvency or bankruptcy of the "insured person", such "claims" would have been covered by this insurance according to all applicable terms, conditions and exclusions.

2. Insuring Agreement – Association Reimbursement

We will pay on behalf of the "association" any "loss" for which the "association" has indemnified an "insured person", as permitted or required by law, and which the "insured person" becomes legally obligated to pay as a result of a "claim" first made against that "insured person" (or an "insured person's" spouse or any other party granted the rights of an "insured person" under Paragraph **1.**) during the policy period or during the Extended Reporting Period, if purchased, as described in Paragraph **G.**

However, this insurance applies only to a "claim" arising out of a "wrongful act" committed by the "insured person" which occurs on or after the Retroactive Date, if any, shown in the Schedule, and before the end of the policy period.

3. Insuring Agreement – Association Liability

We will pay on behalf of the "association" any "loss" which the "association" becomes legally obligated to pay as a result of a "claim" first made against the "association" during the policy period or during the Extended Reporting Period, if purchased, as described in Paragraph **G.**

However, this insurance applies only to a "claim" arising out of a "wrongful act" committed by the "association" which occurs on or after the Retroactive Date, if any, shown in the Schedule, and before the end of the policy period.

4. Defense And Settlement

We will have the right and duty to defend any "claim" made against the insured under Paragraph **A.** of this endorsement. However, we will have no duty to defend the insured against any "claim" because of a "wrongful act" to which this insurance does not apply. We may, at our discretion, investigate any incident that may result in a "loss". We may, with your written consent, settle any "claim".

All "claims" arising out of the same "wrongful act" or "interrelated wrongful acts" committed by one or more "insured persons" shall be considered a single "claim". Such single "claim" shall be deemed to be first made on the date the initial "claim" arising out of such "wrongful act" or "interrelated wrongful acts" was first made pursuant to Paragraph **E.** or notice of such "wrongful act" or "interrelated wrongful acts" was first reported pursuant to Paragraph **E.**

- B.** For the purposes of the coverage provided by this endorsement, Paragraph **B. Exclusions**, Subparagraph **1. Applicable To Business Liability Coverage** is replaced by the following:

- h.** Arising out of any demand, "suit" or other proceeding against any insured which was pending on or existed prior to the applicable Pending Or Prior Litigation Date shown in the Schedule, or arising out of the same or substantially the same facts, circumstances or allegations which are the subject of, or the basis for, such demand, "suit" or other proceeding.
- i.** Arising out of any actual or alleged failure or omission on the part of any insured to effect or maintain insurance.
- j.** Arising out of any "wrongful act" committed or allegedly committed by any "insured person" serving in any position or capacity in any organization or association other than the "association" even if the "association" directed or requested that "insured person" to serve in such other position or capacity.
- k.** Brought by or on behalf of the "association" or any "insured person", in any capacity, except:

 - (1)** A "claim" that is a derivative action brought on behalf of the "association" by one or more unit-owners who are not "insured persons" and who bring the "claim" without the solicitation, assistance or participation of any "insured person" or the "association"; or
 - (2)** A "claim" arising out of a "wrongful employment practices act".
- l.** For an actual or alleged violation of the Employee Retirement Income Security Act of 1974 and its amendments, or similar provisions of any federal, state, local or statutory law or common law.

 - (2)** Allegations of liability or breach of such contract or agreement are made in a "claim" arising out of a "wrongful employment practices act";
- n.** Arising out of "personal and advertising injury".
- o.** Arising out of:

 - (1)** The actual, alleged or threatened discharge, dispersal, seepage, migration, release or escape of "pollutants" at any time;
 - (2)** Any request, demand, order or statutory or regulatory requirement that any insured or others test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or assess the effects of, "pollutants"; or

including without limitation any "claim" by or on behalf of the "association".
- p.** Arising out of "wrongful acts" in the selection or direct or indirect supervision of any contractor or subcontractor liable or alleged to be liable for any defect in construction at any premises insured under this policy.

A "wrongful act" committed by any "insured person" shall not be imputed to any other "insured person" for purposes of applying the exclusions set forth in this Paragraph **B**.
- C.** For the purposes of the coverage provided by this endorsement, Paragraph **C. Who Is An Insured** is replaced by the following:

 - 1.** The "association" is an insured.
 - 2.** "Insured persons" are insureds.
- D.** For the purposes of the coverage provided by this endorsement, Paragraph **D. Liability And Medical Expenses Limits Of Insurance** is replaced by the following:

 - 1. Annual Aggregate Limit Of Insurance**

The most we will pay for the sum of all "loss" under Paragraphs **A.1.**, **A.2.** and **A.3.** is the aggregate Limit of Insurance shown in the Schedule. This limit applies regardless of the number of:

 - a.** Insureds;
 - b.** "Claims" made or "suits" brought; or
 - c.** Persons, organizations or government agencies making "claims" or bringing "suits".

If the aggregate Limit of Insurance is exhausted by the payment of "loss", we will have no further obligations or liability of any kind under this endorsement.

"Claims expenses" are part of the "loss" and are payable within the Limit of Insurance shown in the Schedule, thereby reducing that Limit.

2. Deductible

Subject to Paragraph **D.1.** of this endorsement, we will pay only that amount of "loss" which is in excess of the Deductible shown in the Schedule. The Deductible will be borne by the insureds, uninsured and at their own risk. A single deductible will apply to all "loss" resulting from all "claims" alleging the same "wrongful acts" or "interrelated wrongful acts".

If the "association" is permitted or required by law to indemnify an "insured person" for "loss", but fails or refuses, other than for reason of "financial insolvency", then our payment for such "loss" will not be subject to any deductible and the "association" shall be responsible for, and shall hold us harmless from, and shall reimburse us for such "loss" up to the deductible shown in the Schedule.

E. For the purposes of the coverage provided by this endorsement, the **Duties In The Event Of Occurrence, Offense, Claim Or Suit** condition is replaced by the following:

F. For the purposes of the coverage provided by this endorsement, the following is added to Paragraph **E. Liability And Medical Expenses General Conditions:**

Consent To Settle

1. If we recommend a settlement to the insured which is acceptable to the claimant, but to which the insured does not consent, the most we will pay as damages in the event of any later settlement or judgment is the amount for which the "claim" could have been settled, to which the insured did not give consent, plus "claims expenses" incurred as of the date such settlement was proposed in writing by us to the insured.

E. Margin Clause

With respect to property that is subject to a Blanket Limit of Insurance, we will determine a maximum loss payable for each building and for the Business Personal Property of each building or the Business Personal Property at each premises. The maximum loss payable is determined by applying the applicable Margin Clause percentage, if any, as indicated in the Declarations for the Blanket Insurance to the value of the property as shown in the Declarations for each scheduled building and for the Business Personal Property of each building or the Business Personal Property at each premises.

Actual loss payment will be determined based on the amount of loss or damage subject to all applicable policy provisions including the Limits of Insurance Condition, Coinsurance, Deductible and Valuation Conditions. But the actual loss payment, for each building, for the Business Personal Property of each building or for the Business Personal Property at each premises, will not exceed the maximum loss payable as described above and will not exceed the Blanket Limit of Insurance.

The Margin Clause does not increase the Blanket Limit of Insurance.

In the following examples, the figures and Margin Clause percentages are used for illustrative purposes only and do not reflect your actual insurance.

EXAMPLE #1

Buildings #1 through #3 are covered under a Blanket Limit of Insurance of \$4,500,000. The combined value of these three buildings at the time of loss is \$5,000,000. There is a Coinsurance requirement of 90% (.90 x \$5,000,000 = \$4,500,000); therefore no Coinsurance penalty.

The value stated for Building #1 is \$1,000,000. **The Margin Clause percentage is 120%. The maximum loss payable for Building #1 is \$1,200,000 (\$1,000,000 x 1.20).**

Building #1 sustains a loss of \$1,200,000.

The Deductible is \$10,000.

Step (1): Amount of loss minus Deductible
($\$1,200,000 - \$10,000 = \$1,190,000$)

Step (2): Since \$1,190,000 is not more than the maximum loss payable, we will pay \$1,190,000.

EXAMPLE #2

Buildings #1 through #3 are covered under a Blanket Limit of Insurance of \$4,500,000. The coverage in this example is written without a Coinsurance requirement.

The value stated for Building #1 is \$1,000,000. **The Margin Clause percentage is 115%. The maximum loss payable for Building #1 is \$1,150,000 (\$1,000,000 x 1.15).**

Building #1 sustains a loss of \$1,300,000.

The Deductible is \$10,000.

Step (1): Amount of loss minus Deductible
($\$1,300,000 - \$10,000 = \$1,290,000$)

Step (2): The result of Step (1) exceeds the maximum loss payable. We will pay \$1,150,000, the maximum loss payable in accordance with the Margin Clause.

EXAMPLE #3

Buildings #1 through #3 are covered under a Blanket Limit of Insurance of \$4,000,000. The combined value of these three buildings at the time of loss is \$5,000,000. There is a Coinsurance requirement of 90% (.90 x \$5,000,000 = \$4,500,000); therefore **the Blanket is underinsured and there will be a Coinsurance penalty.**

The value stated for Building #1 is \$1,000,000. **The Margin Clause percentage is 120%. The maximum loss payable for Building #1 is \$1,200,000 (\$1,000,000 x 1.20).**

Building #1 sustains a loss of \$1,200,000.

The Deductible is \$10,000.

Step (1): Amount of Blanket Limit divided by Coinsurance requirement ($\$4,000,000 \div \$4,500,000 = .889$)

Step (2): Amount of loss times Coinsurance penalty factor ($\$1,200,000 \times .889 = \$1,066,800$) is the adjusted amount of loss

Step (3): Adjusted amount of loss minus Deductible ($\$1,066,800 - \$10,000 = \$1,056,800$)

Step (4): We will pay \$1,056,800 (less than the maximum loss payable). The remainder of the loss, \$143,200, is not covered due to application of the Coinsurance penalty and Deductible.

This endorsement modifies insurance provided under the following:

BUSINESSOWNER'S COVERAGE FORM

Paragraph **D.1. Deductibles** of **SECTION I – PROPERTY** is replaced with the following:

In the event of loss or damage to Covered Property caused by or resulting from a Covered Cause of Loss at one or more buildings at the same location, as a result of one occurrence, only the single largest deductible scheduled for loss at such building(s) will apply to all such loss or damage regardless of the number of buildings involved in the loss. However, this Paragraph **D.1** does not apply to loss or damage from Earthquake or Windstorm or Hail causes of loss.

Property Deductible – Building 2:	\$250
Limit of Insurance – Building 1:	\$60,000

Spoilage Limit of Insurance – Building 4:		\$2,000
Spoilage loss at Building 3:		\$2,500
Spoilage loss at Building 4:		\$1,500

The largest deductible involved in the occurrence was the \$500 spoilage deductible and will be subtracted from the total Loss Payable:

\$ 50,100 – Building 1 loss	
+ \$ 70,000 – Building 2 loss	
+ \$ 2,500 – Spoilage loss at Building 3	
+ \$ 1,500 – Spoilage loss at Building 4

Loss to Building 1:	\$50,100
Spoilage Loss at Building 1:	\$2,500

The largest deductible involved in the occurrence was the \$500 spoilage deductible for Building 1 and will be subtracted from the total Loss Payable.

\$ 50,100 - Building 1 loss	
+ \$ 2,500 - Spoilage loss at Building 1	
\$ 52,600 - Total Loss at Building 1

WATER BACK-UP AND SUMP OVERFLOW

This endorsement modifies insurance provided under the following:

BUSINESSOWNER'S COVERAGE FORM

SCHEDULE

Premises Number	Covered Property Annual Aggregate Limit Of Insurance	Business Income And Extra Expense Annual Aggregate Limit Of Insurance
Location 001, Building 001	\$50,000	\$50,000
Location 002, Building 001	\$50,000	\$50,000
Information required to complete this Schedule, if not shown above, will be shown in the Declarations.		

A. We will pay for direct physical loss or damage to Covered Property, covered under Section I – Property, caused by or resulting from:

1. Water or waterborne material which backs up through or overflows or is otherwise discharged from a sewer or drain; or
2. Water or waterborne material which overflows or is otherwise discharged from a sump, sump pump or related equipment, even if the overflow or discharge results from mechanical breakdown of a sump pump or its related equipment.

However, with respect to Paragraph **A.2.**, we will not pay the cost of repairing or replacing a sump pump or its related equipment in the event of mechanical breakdown.

THIS IS NOT FLOOD INSURANCE. We will not pay for loss or damage from water or other materials that back up or overflow from any sewer, drain or sump that itself is caused, directly or indirectly, in whole or in part, by any flood. Flood means the overflow of surface water, waves, tides, tidal waves, streams, or other bodies of water, or their spray, all whether driven by wind or not.

B. The coverage described in Paragraph **A.** of this endorsement does not apply to loss or damage resulting from an insured's failure to:

1. Keep a sump pump or its related equipment in proper working condition; or

2. Perform the routine maintenance or repair necessary to keep a sewer or drain free from obstructions.

C. The most we will pay for the coverage provided under this endorsement for all direct physical loss or damage to Covered Property is the Covered Property Annual Aggregate Limit of Insurance. That limit is \$5,000 per location, unless a different Covered Property Annual Aggregate Limit of Insurance is indicated in the Schedule of this endorsement.

The applicable Covered Property Annual Aggregate Limit of Insurance is the most we will pay under this endorsement for the total of all direct physical loss or damage sustained in any one policy year, regardless of the number of occurrences that cause or result in loss or damage to Covered Property. If loss payment for the first such occurrence does not exhaust the applicable Limit of Insurance, then the balance of that Limit is available for subsequent loss or damage sustained in, but not after, that policy year. With respect to an occurrence which begins in one policy year and continues or results in additional loss or damage in a subsequent policy year(s), all loss or damage is deemed to be sustained in the policy year in which the occurrence began.

D. The following provisions apply to **Section I – Property** and supersede any provisions to the contrary:

The most we will pay under:

1. Paragraph **A.5.f. Business Income** Additional Coverage for all loss of Business Income you sustain due to the necessary suspension of your "operations" caused by direct physical loss or damage to Covered Property as described in Paragraph **A.** of this endorsement; and
2. Paragraph **A.5.g. Extra Expense** Additional Coverage for all necessary Extra Expense you incur and that you would not have incurred if there had been no direct physical loss or damage to Covered Property as described in Paragraph **A.** of this endorsement;

is the Business Income And Extra Expense Annual Aggregate Limit of Insurance. That limit is \$5,000 per location, unless a different Business Income And Extra Expense Annual Aggregate Limit of Insurance is shown in the Schedule.

The applicable Business Income And Extra Expense Annual Aggregate Limit of Insurance is the most we will pay under this endorsement for the total of all loss of Business Income you sustain and Extra Expense you incur in any one policy year, regardless of the number of occurrences that cause or result in loss or damage to Covered Property as described in Paragraph **A.** of this endorsement. If loss payment during an earlier "period of restoration" in the policy year does not exhaust the applicable Limit of Insurance, then the balance of that Limit is available for loss of Business Income you sustain or Extra Expense you incur during a subsequent "period of restoration" beginning in, but not after, that policy year. With respect to a "period of restoration" which begins in one policy year and continues in a subsequent policy year(s), all loss of Business Income you sustain or Extra Expense you incur is deemed to be sustained or incurred in the policy year in which the "period of restoration" began.

- E.** With respect to the coverage provided under this endorsement, the **Water** Exclusion in **Section I – Property** is replaced by the following exclusion:

Water

1. Flood, surface water, waves (including tidal wave and tsunami), tides, tidal water, overflow of any body of water, or spray from any of these, all whether or not driven by wind (including storm surge);
2. Mudslide or mudflow; or
3. Water under the ground surface pressing on, or flowing or seeping through:
 - a. Foundations, walls, floors or paved surfaces;
 - b. Basements, whether paved or not; or
 - c. Doors, windows or other openings; or

4. Waterborne material carried or otherwise moved by any of the water referred to in Paragraph **1.** or **3.**, or material carried or otherwise moved by mudslide or mudflow.

This exclusion applies regardless of whether any of the above, in Paragraphs **1.** through **4.**, is caused by an act of nature or is otherwise caused. An example of a situation to which this exclusion applies is the situation where a dam, levee, seawall or other boundary or containment system fails in whole or in part, for any reason, to contain the water.

But if any of the above, in Paragraphs **1.** through **4.**, results in fire, explosion or sprinkler leakage, we will pay for the loss or damage caused by that fire, explosion or sprinkler leakage.

3. Such "personal data compromise" is reported to us within 60 days after the date it is first discovered by you.

COVERAGE – SECTION 1

If the three conditions listed above in DATA COMPROMISE – COVERED CAUSE OF LOSS have been met, then we will provide coverage for the following expenses when they arise directly from the covered cause of loss and are necessary and reasonable. Coverages 4 and 5 apply only if there has been a notification of the "personal data compromise" to "affected individuals" as covered under coverage 3.

1. Forensic IT Review

Professional information technologies review if needed to determine, within the constraints of what is possible and reasonable, the nature and extent of the "personal data compromise" and the number and identities of the "affected individuals".

This does not include costs to analyze, research or determine any of the following:

- a. Vulnerabilities in systems, procedures or physical security;

- b. Compliance with PCI or other industry security standards; or
- c. The nature or extent of loss or damage to data that is not “personally identifying information” or “personally sensitive information”.

If there is reasonable cause to suspect that a covered “personal data compromise” may have occurred, we will pay for costs covered under Forensic IT Review, even if it is eventually determined that there was no covered “personal data compromise”. However, once it is determined that there was no covered “personal data compromise”, we will not pay for any further costs.

2. Legal Review

Professional legal counsel review of the “personal data compromise” and how you should best respond to it.

If there is reasonable cause to suspect that a covered “personal data compromise” may have occurred, we will pay for costs covered under Legal Review, even if it is eventually determined that there was no covered “personal data compromise”. However, once it is determined that there was no covered “personal data compromise”, we will not pay for any further costs.

- a. Provided to any of your directors or employees; or;
- b. Costing more than \$25 per “affected individual”.

LIMITS – SECTION 1

The most we will pay under Response Expenses coverage is the Data Compromise Response Expenses Limit indicated for this endorsement.

The Data Compromise Response Expenses Limit is an annual aggregate limit. This amount is the most we will pay for the total of all loss covered under Section 1 arising out of all “personal data compromise” events which are first discovered by you during the present annual policy period. This limit applies regardless of the number of “personal data compromise” events discovered by you during that period.

A “personal data compromise” may be first discovered by you in one policy period but cause covered costs in one or more subsequent policy periods. If so, all covered costs arising from such “personal data compromise” will be subject to the Data Compromise Response Expenses Limit applicable to the policy period when the “personal data compromise” was first discovered by you.

The most we will pay under Response Expenses coverage for loss arising from any “malware-related compromise” is the Named Malware (Sec. 1) sublimit indicated for this endorsement. For the purpose of the Named Malware (Sec. 1) sublimit, all “malware-related compromises” that are caused, enabled or abetted by the same virus or other malicious code are considered to be a single “personal data compromise”. This sublimit is part

of, and not in addition to the Data Compromise Response Expenses Limit.

The most we will pay under Forensic IT Review, Legal Review and PR Services coverages for loss arising from any one "personal data compromise" is the applicable sublimit for each of those coverages indicated for this endorsement. These sublimits are part of, and not in addition to, the Data Compromise Response Expenses Limit. PR Services coverage is also subject to a limit per "affected individual" as described in 5. PR Services.

Coverage for Services to "affected individuals" is limited to costs to provide such services for a period of up to one year from the date of the notification to the "affected individuals". Notwithstanding, coverage for Identity Restoration Case Management services initiated within such one year period may continue for a period of up to one year from the date such Identity Restoration Case Management services are initiated.

DEDUCTIBLE – SECTION 1

Response Expenses coverage is subject to the Response Expenses Deductible indicated for this endorsement. You shall be responsible for such deductible amount as respects each "personal data compromise" covered under this endorsement.

SECTION 2 – DEFENSE AND LIABILITY

DEFENSE AND LIABILITY COVERED CAUSE OF LOSS

Coverage under this Data Compromise Coverage endorsement applies only if all three of the conditions in DATA COMPROMISE – COVERED CAUSE OF LOSS are met.

Only with regard to Section 2 – Defense and Liability coverage, the following conditions must also be met:

1. You have provided notifications and services to "affected individuals" in consultation with us pursuant to Response Expenses coverage; and
2. You receive notice of a "data compromise suit" brought by one or more "affected individuals" or by a governmental entity on behalf of one or more "affected individuals"; and
3. Notice of such "data compromise suit" is received by you within two years of the date that the "affected individuals" are notified of the "personal data compromise"; and
4. Such "data compromise suit" is reported to us as soon as practicable, but in no event more than 60 days after the date it is first received by you.

COVERAGE – SECTION 2

If all of the conditions listed above in DEFENSE AND LIABILITY – COVERED CAUSE OF LOSS have been met, then we will provide coverage for "data compromise defense costs" and "data compromise liability" directly arising from the covered cause of loss.

LIMITS – SECTION 2

The most we will pay under Defense and Liability coverage (other than post-judgment interest) is the Data Compromise Defense and Liability Limit indicated for this endorsement.

The Data Compromise Defense and Liability Limit is an annual aggregate limit. This amount is the most we will pay for all loss covered under Section 2 (other than post-judgment interest) arising out of all "personal data compromise" events which are first discovered by you during the present annual policy period. This limit applies regardless of the number of "personal data compromise" events discovered by you during that period.

A "personal data compromise" may be first discovered by you in one policy period but cause covered costs in one or more subsequent policy periods. If so, all covered costs arising from such "personal data compromise" (other than post-judgment interest) will be subject to the Data Compromise Defense and Liability Limit applicable to the policy period when the "personal data compromise" was first discovered by you.

The most we will pay under Defense and Liability coverage for loss arising from any "malware-related compromise" is the Named Malware (Sec. 2) sublimit indicated for this endorsement. For the purpose of the Named Malware (Sec. 2) sublimit, all "malware-related compromises" that are caused, enabled or abetted by the same virus or other malicious code are considered to be a single "personal data compromise". This sublimit is part of, and not in addition to, the Defense and Liability Limit.

DEDUCTIBLE – SECTION 2

Defense and Liability coverage is subject to the Defense and Liability Deductible indicated for this endorsement. You shall be responsible for such deductible amount as respects each "data compromise suit" covered under this endorsement.

EXCLUSIONS, ADDITIONAL CONDITIONS AND DEFINITIONS APPLICABLE TO BOTH SECTION 1 AND SECTION 2

EXCLUSIONS

The following additional exclusions apply to this coverage: We will not pay for costs arising from the following:

2. You shall not admit liability for or settle any "data compromise suit" or incur any defense costs without our prior written consent.
3. If you refuse to consent to any settlement recommended by us and acceptable to the claimant, we may then withdraw from your defense by tendering control of the defense to you. From that point forward, you shall, at your own expense, negotiate or defend such "data compromise suit" independently of us. Our liability shall not exceed the amount for which the claim or suit could have been settled if such recommendation was consented to, plus defense costs incurred by us, and defense costs incurred by you with our written consent, prior to the date of such refusal.

 - e. Cooperate with us in the investigation, settlement or defense of the "data compromise suit";
 - f. Assist us, upon our request, in the enforcement of any right against any person or organization which may be liable to you because of loss to which this insurance may also apply; and
 - g. Not take any action, or fail to take any required action, that prejudices your rights or our rights with respect to such "data compromise suit".
2. You may not, except at your own cost, voluntarily make a payment, assume any obligation, or incur any expense without our prior written consent.
3. If you become aware of a claim or complaint that may become a "data compromise suit", you shall promptly inform us of such claim or complaint.

C. Due Diligence

You agree to use due diligence to prevent and mitigate costs covered under this endorsement. This includes,

but is not limited to, complying with, and requiring your vendors to comply with, reasonable and industry-accepted protocols for:

1. Providing and maintaining appropriate physical security for your premises, computer systems and hard copy files;
2. Providing and maintaining appropriate computer and Internet security;
3. Maintaining and updating at appropriate intervals backups of computer data;

D. Legal Advice

We are not your legal advisor. Our determination of what is or is not covered under this Data Compromise Coverage endorsement does not represent advice or counsel from us about what you should or should not do.

E. Pre-Notification Consultation

You agree to consult with us prior to the issuance of notification to “affected individuals”. We assume no responsibility under this Data Compromise Coverage for any services promised to “affected individuals” without our prior agreement. If possible, this pre-notification consultation will also include the designated service provider(s) as agreed to under Additional Condition F. Service Providers. You must provide the following at our pre-notification consultation with you:

1. The exact list of “affected individuals” to be notified, including contact information.
2. Information about the “personal data compromise” that may appropriately be communicated with “affected individuals”.
3. The scope of services that you desire for the “affected individuals”. For example, coverage may be structured to provide fewer services in order to make those services available to more “affected individuals” without exceeding the available Response Expenses Limit.

F. Service Providers

1. We will only pay under this Data Compromise Coverage for services that are provided by service providers approved by us. You must obtain our prior approval for any service provider whose expenses you want covered under this Data Compromise Coverage. We will not unreasonably

withhold such approval.

2. Prior to the Pre-Notification Consultation described in Additional Condition E. above, you must come to agreement with us regarding the service provider(s) to be used for the Notification to Affected Individuals and Services to Affected Individuals.  - b. Such alternate service provider must provide services that are reasonably equivalent or superior in both kind and quality to the services that would have been provided by the service provider we had suggested; and

DISCLOSURE FORM
CLAIMS-MADE COVERAGES
IMPORTANT NOTICE TO POLICYHOLDER

THIS DISCLOSURE FORM IS NOT YOUR POLICY. IT DESCRIBES SOME OF THE MAJOR FEATURES OF THE CLAIMS-MADE COVERAGES THAT MAY BE ATTACHED TO YOUR POLICY. READ YOUR POLICY CAREFULLY TO DETERMINE RIGHTS, DUTIES, AND WHAT IS AND IS NOT COVERED. ONLY THE PROVISIONS OF YOUR POLICY DETERMINE THE SCOPE OF YOUR INSURANCE PROTECTION.

YOUR POLICY

Your policy contains one or more claims-made coverages. They provide coverage only for injury or damage occurring after the policy retroactive date (if any) shown on your policy and the incident is reported to your insurer prior to the end of the policy period. Upon termination of the claims-made coverages, an extended reporting period option is available from your insurer.

There is no difference in the kind of injury or damage covered by occurrence or claims-made coverage. Claims for damages may be assigned to different policy periods, depending on which type of coverage you have.

If you make a claim under your claims-made coverage, the claim must be a demand for damages by an injured party and does not have to be in writing. Under most circumstances, a claim is considered made when it is received and recorded by you or by us. Sometimes, a claim may be deemed made at an earlier time. This can happen when another claim for the same injury or damage has already been made, or when the claim is received and recorded during an extended reporting period.

EXCEPTIONS, REDUCTIONS AND LIMITATIONS

Your claims-made coverage contains certain exceptions, reductions and limitations. Please read them carefully and consult your insurance producer about any questions you might have.

RENEWALS AND EXTENDED REPORTING PERIODS

Your claims-made coverage has some unique features relating to renewal, extended reporting periods and coverage for events with long periods of potential liability exposure.

If there is a retroactive date in your coverage, no event or occurrence prior to that date will be covered under the coverage even if reported during the policy period. It is therefore important for you to be certain that there are no gaps in your insurance coverage. These gaps can occur in several ways. Among the most common are:

1. If you switch from an occurrence coverage to a claims-made coverage, the retroactive date in your claims-made coverage should be no later than the expiration date of the occurrence coverage.
2. When replacing a claims-made coverage with a claims-made coverage, you should consider the following:
 - a. The retroactive date in the replacement coverage should extend far enough back in time to cover any events with long periods of liability exposure, or
 - b. If the retroactive date in the replacement coverage does not extend far enough back in time to cover events with long periods of liability exposure, you should consider purchasing extended reporting period coverage under the old claims-made coverage.
3. If you replace this claims-made coverage with an occurrence coverage, you may not have insurance coverage for a claim arising during the period of claims-made coverage unless you have purchased an extended reporting period under the claims-made coverage. Extended reporting period coverage must be offered to you by law for at least one year after the expiration of the claims-made coverage at a premium not to exceed 200% of your last policy premium.

CAREFULLY REVIEW YOUR POLICY REGARDING THE AVAILABILITY OF EXTENDED REPORTING PERIOD COVERAGE, INCLUDING THE LENGTH OF COVERAGE, THE PRICE AND THE TIME PERIOD DURING WHICH YOU MUST PURCHASE OR ACCEPT ANY OFFER FOR EXTENDED REPORTING PERIOD COVERAGE.
