WHEREAS, the Fall Creek Village Homeowners Association (“Association”) was originally formed on July 16, 1990, when the incorporator filed the Articles of Incorporation for a Colorado non-profit corporation with the Colorado Secretary of State, which was subsequently administratively dissolved; and

WHEREAS, the Fall Creek Village Homeowners Association (“Association”) was reformed on January 11, 2001, when Articles of Incorporation for the Fall Creek Village Homeowners Association, a Colorado nonprofit corporation, were filed with the Colorado Secretary of State; and

WHEREAS, the Association is maintained in good standing with the office of the Secretary of State of Colorado, and current information regarding the principal office of the Association and its registered agent is maintained with the office of the Secretary of State of Colorado; and

WHEREAS, the Association was established to provide an entity for the management of the common interest community according to the Declaration of Covenants, Conditions and Restrictions of Fall Creek Village Subdivision, a Subdivision of San Miguel County Colorado (“Declaration”), as amended and as now or hereafter recorded in the public records of San Miguel County, Colorado; and

WHEREAS, the Bylaws provide for their amendment, and certain elements of the Bylaws, as amended, need to be changed to conform to applicable law and to the Amended and Restated Declaration of the Association; and

WHEREAS, concurrently with the adoption of these Amended and Restated Bylaws, the Association has voted pursuant to C.R.S. §38-33.3-118, to elect treatment under the Colorado Common Interest Ownership Act (“CCIOA” or the “Act”), and thereby subject the common interest community to all of the provisions contained in C.R.S. §38-33.3-101, *et seq.*; and

NOW THEREFORE, the Board of Directors of the Fall Creek Village Homeowners Association (“Board”), deems it necessary and desirable to adopt these Amended and Restated Bylaws for the Fall Creek Village Subdivision (“Amended Bylaws”), and to manage the Association as set forth in these Amended Bylaws.

ARTICLE 1: PURPOSES, DEFINITIONS, APPLICABILITY OF BYLAWS

1.01 Purpose of Association.

(a) *Purposes.* The Association is a Colorado nonprofit corporation formed to effectively and efficiently regulate, operate and manage the Fall Creek Village Homeowners Association in accordance with:

- (i) the purposes identified in the Amended and Restated Articles of Incorporation of the Association;
- (ii) the provisions of the Colorado Common Interest Ownership Act, §§38-33.3-101 et seq., C.R.S., as amended;
- (iii) the applicable sections of the "Colorado Revised Nonprofit Corporation Act", articles 121 to 137 of title 7, C.R.S., as amended;
- (iv) the Amended and Restated Declaration of Covenants, Conditions and Restrictions for the Fall Creek Village Homeowners Owners Association, as amended;
- (v) the provisions of the Governing Documents of the Association;
- (vi) the provisions of these Bylaws; and
- (vii) other applicable law.

1.02 Applicability. The provisions of the Bylaws are applicable to the Property, the Association and the Owners of Parcels regarding the operation and management of the Association.

1.03 Definitions. Unless separately defined in the Bylaws, or unless the context otherwise requires, the names, words and phrases used in the Bylaws shall have the meanings as set forth in the Act or Declaration.

1.04 Conflicts. In the case of a conflict between the Articles of Incorporation and the Bylaws, the Articles shall control. In the case of a conflict between the Declaration and the Bylaws, the Declaration shall control, except to the extent the Declaration is inconsistent with the Act.

1.05 Association Managed by Board of Directors. The affairs of the Association shall be managed and administered by the Board of Directors ("Board") in accordance with the Governing Documents.

1.06 Scope of Powers of the Association. The Association may act in any manner defined in and consistent with C.R.S. §38-33.3-302 or other applicable provisions of the Act, the Colorado Nonprofit Corporation Act, and other applicable law.

ARTICLE 2: MEMBERS OF ASSOCIATION

2.01 Membership. As included in the Declaration, there shall be one Membership appurtenant to each Parcel in the Fall Creek Village Subdivision. The Membership appurtenant to a Parcel shall be held by the Owners of that Parcel and may not be separated from the Parcel to which it is appurtenant. Each Owner by virtue of being such an Owner and for so long as it is an Owner, shall be deemed a Member of the Association. The terms "Member" and "Owner" are synonymous.

(a) *Liability of Members.* No Owner shall be personally liable for any of the debts, liabilities or obligations of the Association except as provided in the Governing Documents and the Act.

(b) *Inactive Membership for Lot 9 and Lot 10.* In accordance with the Amended and Restated Articles of Incorporation, the Memberships appurtenant to Lot 9 and Lot 10 shall not be active Memberships until such a time as Lot 9 and Lot 10 are determined to be developable parcels. As inactive Memberships, the Owners of Lot 9 and Lot 10 do not have voting rights, are not assessed for the Common Expenses of the Association, and are not allocated a percentage of the Allocated Interests of the Common Elements or Common Expenses of the Association. However, as provided in the Declaration, the use of Lot 9 and Lot 10 is otherwise subject to the Governing Documents of the Association.

2.02 Meetings of the Members.

(a) *Annual Meetings.* Annual meetings of the Members shall be held during the first two weeks of August on a date set by the Board, or at such other reasonable place or time, not more than 30 days before or after such date, as may be designated by the Board. Annual meetings of the Members shall be for the

purpose of electing the Board, ratification of the annual budget for the Association, and of transacting any other business that may properly come before the Members at such meeting.

(b) *Special Meeting of Members.* A special meeting of the Members may be called at any reasonable time and place by the president of the Board, by a majority of the Board, or by Members having not less than twenty-five percent (25%) of the Membership of the Association. Notice of a Special Meeting of the Members shall include the purpose or purposes for which the meeting is called.

(c) *Place and Time.* Annual and special meetings of the Members shall be held at the locations and times designated by the Board in the notice of such meetings.

(d) *Notice.* Notice of any regular or special meeting of the Members shall be given by the Board by e-mail if the Owner has filed an e-mail authorization form with the Association, or by depositing the same in the United States mail, first class postage prepaid, to any Owner not filing an e-mail authorization form with the Association. The Association shall provide such notice only to the e-mail address(es) provided to the Association on the authorization form, if an Owner's e-mail address is changed, a new authorization form must be filed with the Association in order to receive notice at the new e-mail address. Notice shall be mailed or e-mailed not less than ten (10) days nor more than fifty (50) days prior to the date fixed for the regular or special meeting of the Members. Notice of a meeting shall be considered delivered the date that the notice is deposited in the mail or sent by e-mail to a Member. The notice shall state the time and place of the meeting and the items on the agenda, specifically including the general nature of any proposed amendment to the Declaration or Bylaws, any budget changes, and any proposal to remove a Director.

(i) *Website Posting.* Notices of all regular and special meetings of the Members shall be posted on the Association's website at the same time that they are otherwise sent to the Members.

(ii) *Mailing.* If notice of a regular or special meeting of the Members is mailed, the Secretary or other designated officer of the Association shall cause notice to be sent prepaid by first class United States mail to the mailing address of each Owner or to any other mailing address designated in writing by the Parcel Owner on file with the Association, or to the address maintained by the County Assessor for the Parcel Owner.

(iii) *Posting.* The notice of any meeting of the Members shall be physically posted in a conspicuous place on the Common Elements, to the extent that such posting is feasible and practicable, in addition to any electronic posting or electronic mail notices that may be given by the Association.

(iv) *Notice Regarding Multiple Ownership.* Where a Parcel is owned by more than one person, notice to any Owner of such Parcel shall be deemed notice to all Owners of such Parcel. Each Owner shall be responsible for providing the Association with such Owner's mailing address, facsimile telephone number (if any) and e-mail address (if any), and shall be responsible for keeping such address, facsimile telephone number (if any) and e-mail address (if any) current in the event of any change. If an Owner has not provided the information required by this paragraph, any notice from the Association may be sent to the address for the Owner contained in the records of the Assessor for San Miguel County, Colorado, and such notice shall be deemed received by such Owner upon mailing, whether or not ever received by such Owner.

(v) *Waiver of Notice.* Any Owner may waive notice of a meeting in writing before or at any annual or special meeting of the Members, and any Owner that attends an annual or special meeting of the Members, in person or by proxy, shall be deemed to have waived the requirement of notice and/or defective notice unless such Owner objects to the meeting on the basis of improper or insufficient notice at the beginning of the meeting.

(e) *Agenda of Annual Meeting of Members.* At each annual meeting of the Members, the Board shall present a written report of the Association's financial status. The Members shall consider the budget for the upcoming year as adopted by the Board, elect Directors, and conduct any other business that may come before the Members at such meeting.

(f) *Quorum.* Except as otherwise provided in these Bylaws, the presence in person or by proxy of the Members possessing fifty percent (50%) of all votes entitled to be cast at a meeting shall constitute a quorum for conducting the normal business of the Members, and such Members present in person or by proxy shall constitute the Members entitled to vote upon any issue before the Members at which a quorum is present. A majority of the votes entitled to be cast by such Members present in person or by proxy shall be sufficient to

make decisions binding on all Members, unless a different number or method of voting is expressly required by statute or by the Governing Documents of the Association. At any meeting at which a quorum is present, a quorum shall be deemed to exist throughout such meeting until it is adjourned. If at any meeting of the Members a quorum is not present, a majority of the Members present and entitled to vote, either in person or by proxy, may adjourn the meeting to a time not less than twenty-four (24) hours nor more than fifteen (15) days from the time for which the original meeting was called. Notice of the date, time and location of the continuation of the adjourned meeting shall be posted on the website.

(g) *Conduct of Meetings.* The President of the Association (or the Vice President in his/her absence) shall act as chairman of all meetings of the Members, and the Secretary of the Association (or an Assistant Secretary thereof in his/her absence) shall act as secretary of all such meetings.

(h) *Meetings Open to Members.* All regular and special meetings of the Association are open to every Owner, or to any person designated by an Owner in writing as the Owner's representative. Any such designation does not constitute a proxy, which is a separate delegation of the Owner's rights.

(i) *Attendance by Telephone or Web Conference Call.* If the Board schedules a conference call for any regular or special Member meeting, any Member may attend by speaker telephone, telephone conference call, or web conference call, provided that all persons participating in the meeting can hear each other at the same time. Such participation shall constitute presence in person at the meeting. The Member desiring to attend any meeting by telephone shall be responsible to pay for any costs of their own phone call.

2.03 Voting.

(a) *Number of Votes.* The Association shall have a single class of voting membership, with each Parcel having a single Membership which shall be entitled to one vote in all Association matters. Any Owner that is delinquent in the payment of any annual or special Assessment shall not be entitled to vote upon any matter put to a vote at any meeting of the Members.

(b) *Voting for Multiple Ownership of a Parcel.* Each Membership shall be entitled to one vote, regardless of the number of Owners of the Parcel to which the Membership is appurtenant. Fractional voting shall not be allowed. The vote appurtenant to any Parcel may be cast only in accordance with the agreement of a majority in interest of the Parcel Owners. If the Owners of a Parcel cannot agree among themselves as to how to cast their votes on a particular matter, they shall lose their right to vote on such matter, and no vote shall be cast or counted in any balloting on such matter. If any Owner casts a vote representing a Membership appurtenant to a particular Parcel, it will thereafter be presumed by the Association for all purposes that the Owner was acting with the authority and consent of all other Owners with whom such Owner shares the Membership, unless objection thereto is made by an Owner of that Parcel to the person presiding over the meeting prior to the time the vote is cast. If more than the number of allocated votes are cast or attempted to be cast for any particular Membership, none of such votes shall be counted, and all of such votes shall be deemed null and void.

(c) *Election of Directors.* In any Member meeting at which Directors are elected, every Member entitled to vote at such an election shall have one vote for each Parcel owned. Nominations of candidates for the Board may be made by any Member of the Association who is in good standing (including persons who are then members of the Board). The candidates receiving the largest percentage of all votes of the Members present in person or by proxy at the meeting shall be elected. Cumulative voting shall not be allowed. Votes for contested positions on the Board shall be taken by secret ballot.

(d) *Secret Ballot.* At the discretion of the Board, in voting for contested positions on the Board, or upon the request of twenty percent of the Parcel Owners who are present at the meeting or represented by proxy, if a quorum has been achieved, a vote on any matter affecting the Fall Creek Village Homeowners Association on which all Parcel Owners are entitled to vote shall be by secret ballot. Secret ballots shall be counted by a neutral third party or by a committee of volunteers. Such volunteers shall be Parcel Owners who are selected or appointed at an open meeting, in a fair manner, by the chair of the Board or another person presiding during that portion of the meeting. The volunteers shall not be Board members and, in the case of a contested election for a Board position, shall not be candidates. The results of a vote taken by secret ballot shall

be reported without reference to the names, addresses, or other identifying information of Members participating in such vote.

(e) *Proxies.* Votes allocated to a Parcel may be cast pursuant to a proxy duly executed by a Parcel Owner and timely delivered to the Association. Proxies shall be received by the Board at or before the appointed time of the meeting at which it is intended to be used.

(i) *Valid Proxy.* A valid proxy shall not be effective for longer than eleven (11) months from the date of its execution unless otherwise provided in said proxy and approved by the Board, provided, however, that in no case shall any proxy be valid for more than two (2) years from the date of its execution. All proxies shall be deemed to include the following, whether or not stated in the proxy document: (1) be revocable by the grantor upon actual notice to the Association; (2) automatically cease to be valid upon the conveyance of the Parcel owned by the Owner executing or authorizing the execution of such proxy; and (3) be invalid during any period in which the voting rights of the Member executing or authorizing the execution of such proxy is suspended. A proxy is void if it is not dated or purports to be revocable without notice. A proxy shall not be valid if obtained through fraud or misrepresentation.

(ii) *Multiple Ownership.* If a Parcel is owned by more than one person, each Owner of the Parcel has the right to vote or register protest to the casting of votes by the other Owners of the Parcel through a duly executed proxy, provided that only one vote is cast for any Parcel.

(iii) *Revocation.* A Parcel Owner may not revoke a proxy except by actual notice of revocation to the Association prior to a meeting or directly to the person presiding over a meeting of the Association. The revoking Owner is responsible for verifying that the Association has timely received any valid revocation submitted to the Association.

(iv) *Rejection by Association.* The Association is entitled to reject a vote, consent, written ballot, waiver, proxy appointment, or proxy appointment revocation if the Secretary or other officer or agent authorized to tabulate votes, acting in good faith, has reasonable basis for doubt about the validity of the signature on it or about the signatory's authority to sign for the Parcel Owner.

(v) *Good Faith.* The Association and its officer or agent who accepts or rejects a vote, consent, written ballot, waiver, proxy appointment, or proxy appointment revocation in good faith and in accordance with the standards of this section are not liable for damages for the consequences of the acceptance or rejection.

(vi) *Actions of Association.* Any action of the Association based on the acceptance or rejection of a vote, consent, written ballot, waiver, proxy appointment, or proxy appointment revocation under this section is valid unless a court of competent jurisdiction determines otherwise.

(f) *Majority Vote.* Unless a different percentage is required by the Act, the Declaration or these Bylaws, the vote of a majority of the Owners present in person or by proxy at any annual or special meeting of the Members at which a quorum is present, or at the continuation of any adjourned meeting where a quorum is present, shall be sufficient to decide any item of business conducted at such meeting.

(g) *Action Without Meeting.* Any action required by law to be taken at a meeting of the Members, or any action which may be taken at a meeting of the Members, may be taken without a meeting, without prior notice and without a vote, if a consent in writing, setting forth the action so taken, shall be signed by the holders of votes having not less than the minimum number of votes that would be necessary to authorize or take such action at a meeting at which all votes entitled to be cast were present and voted. Prompt notice of any action taken by the Members without a meeting and by less than unanimous written consent shall be given to all Members. A unanimous consent resolution under this section may be executed in counterparts, and any signature supplied by facsimile copy shall in all respects be considered an original signature unless and until replaced with an original signature.

ARTICLE 3: BOARD OF DIRECTORS

3.01 Board of Directors and Officers.

(a) *Management of the Association.* The affairs of the Association shall be conducted by the Board and such officers as the Board may elect or appoint, in accordance with the Articles and the Bylaws, as they may

be amended from time to time. Except as otherwise provided in the Act or Governing Documents, the Board may act in all instances on behalf of the Association. Each Director shall exercise ordinary and reasonable care in carrying out his/her duties as a Director, and shall owe the duty of undivided loyalty and honesty to Association and its Members. Each Board member shall avoid actions of self-interest, self-dealing, or conflicting interests.

(b) *Qualifications of Directors.* The Directors of the Association shall be individuals that are Owners of a Parcel in Fall Creek Village. If a Parcel is owned by an entity, an individual who has an ownership interest in the entity shall be qualified to be a Director. Each Director shall be a Member of the Association or the non-owner spouse of a Member of the Association subject to the Owner Member's written permission; provided, however, that in no event shall a Member of the Association and his or her spouse serve on the Board concurrently. Owner or non-owner spouses may serve on committees as may be appointed by the Board.

(c) *Access to Information and Association Records.* All Directors shall have available to them, at any reasonable time, all information related to the responsibilities and operation of the Association obtained by any other member of the Board. This information shall include, but is not necessarily limited to, reports of detailed monthly expenditures, contracts to which the Association is a party, and copies of communications, reports, and opinions to and from any member of the Board or any managing agent, attorney, or accountant employed or engaged by the Board to whom the Board delegates responsibilities.

3.02 Powers and Limitations. The affairs of the Association shall be managed and administered by the Board, and all of the powers and duties of the Association, except as specifically reserved to the Members, shall be exercised by and through such Board, including without limitation all those powers and duties provided for in the Act and the Governing Documents, as amended from time to time.

(a) *Limitation on Powers of the Board.* Except as provided in the Declaration, the Articles and the Bylaws, the Board may act on behalf of the Association in all instances, provided that the Board may not act on behalf of the Association to:

- (i) elect or remove Directors; or
- (ii) amend the Declaration; or
- (iii) terminate the Association, the Declaration or the Fall Creek Village Subdivision common interest community; or
- (iv) determine the qualifications, powers and duties, or terms of office, of Directors; or
- (v) amend the Association's Design Standards and Review Procedures, Article 2: Design and Construction Standards, which shall only be amended in accordance with Section 7.04 of the Design Standards and Review Procedures and the Associations Policy #1-2010 - Adoption and Amendment of Policies, which shall further require the approval of fifty-one percent (51%) of the Members of the Association at a regular meeting or a special meeting of the Members called for that purpose.

(b) *Delegation of Powers.* The Board may, by contract, delegate the routine operation and management of the Association affairs to a managing agent or such other employees or independent contractors as they deem necessary to prescribe their duties, to be selected by the Board and who shall be responsible to the Board. The Board shall act in good faith with regard to all such contractual or employment arrangements.

(i) *Subject to the Act.* Any managing agent, employee, independent contractor, or other person acting on behalf of the Association shall be subject to the Act to the same extent as the Association itself would be.

(c) *Requirements Regarding Delegation of Financial Matters.* If the Association delegates powers of the Board or officers relating to collection, deposit, transfer, or disbursement of Association funds to other persons or to a managing agent, the Association shall require the following:

- (i) that the other persons or managing agent maintain fidelity insurance coverage or a bond in an amount not less than fifty thousand dollars or such higher amount as the Board may require;
- (ii) that the other persons or managing agent maintain all funds and accounts of the Association separate from the funds and accounts of other associations managed by the other persons or managing agent, and maintain all reserve accounts of each association so managed separate from operational accounts of the Association; and

(iii) that an annual accounting for Association funds and a financial statement be prepared and presented to the Association by the other person, managing agent, a public accountant, or a certified public accountant.

(d) *Standards With Regard to the Investment of Reserve Funds.* The actions of the officers and Directors shall be subject to the standards set forth in C.R.S. §7-128-401, as such standards apply to the Association, and the Association's policies regarding reserve funds.

(e) *Financial Incentives.* No remuneration shall be accepted by any management agent, employee, contractor, any member of the Board or any officer from vendors, independent contractors or others providing goods or services to the Association, whether in the form of commissions, finder's fees, service fees, prizes, gifts or otherwise. Anything of value received by any such person shall be turned over to the Association.

(f) *Decisions Regarding Improvements.* Decisions concerning the approval or denial of a Parcel Owner's application to make any Improvements on a Parcel shall be made in accordance with standards and procedures set forth in the Governing Documents or in duly adopted Rules and Regulations, and shall not be made arbitrarily or capriciously.

(g) *Construction Defect Actions.* In the event the Board institutes an action asserting construction defects regarding five or more Parcels, the Board shall comply with the provisions of C.R.S. §38-33.3-303.5.

(h) *Conflicts of Interest.* The Board and any committee thereof shall comply with the Association's Conflict of Interest Policy.

(i) *Personal Liability.* No member of the Board, or any committee of the Board, or any officer of the Association shall be liable for any damage, loss, or prejudice suffered or claimed on account of any act, omission, error, or negligence of the Association, the Board, or any other representative or employee of the Association, provided that such person has, upon the basis of such information as may be possessed by him/her, acted in good faith and without wanton or willful acts or omissions.

3.03 Number and Term.

(a) *Number and Term.* The Board of Directors shall consist of not less than three (3) Owners, who shall be elected at the annual meeting of the Members, and each of which shall serve for a term of three years or until his or her qualified successor is elected. The terms shall be staggered on a three-year system so that an approximately equal number of the Director terms expire each year. All Board members shall be Members of the Association; provided, however, no Parcel shall be represented by more than one Member on the Board at any time. The number of Directors may be increased or decreased at the discretion of the Board. No reduction of the number of Directors shall have the effect of removing any Director prior to the expiration of such Director's term of office as originally elected.

(b) *Vacancies.* Vacancies in the Board may be filled by a majority vote of the remaining Directors, even if less than a quorum but more than one, and each Director so appointed shall hold office until his successor is elected at the next annual meeting of the Members or at the next special meeting of the Members called for such purpose. The election of a successor in the event of a vacancy shall be for the remaining term of the originally elected Director. At any meeting of the Members, the Owners may elect Directors to fill any vacancy not otherwise filled by the Board. In the event the entire Board resigns, or there is only one remaining Director, or the Directors are otherwise disqualified or cease to be Directors, a special meeting of the Members shall be called to elect a new Board. A Board vacancy shall be deemed to exist:

- (i) upon the death, resignation or removal of any Director, or
- (ii) in the event the Board increases the number of Directors without electing a Director to fulfill such increase; or
- (iii) in the event the Director is absent from three consecutive meetings of the Board; or
- (iv) in the event the Director is delinquent in the payment of any assessment; or
- (v) in the event the Director ceases to be an Owner.

(c) *Removal of Directors.* At any annual or special meeting of the Members at which a quorum is present, any Director may be removed with or without cause by a vote of sixty-seven percent (67%) or more of the Members present and entitled to be cast at such meeting. Successors may then and there be elected by

the Members to fill the vacancies thus created. Any Director whose removal is to be considered at a meeting of the Owners shall be given an opportunity to be heard at the meeting.

3.04 Compensation of Directors. The compensation, if any, for all officers and employees of the Association shall be fixed by the Board. No compensation shall be paid to Directors for their services as Directors and no remuneration of any kind shall be paid to a Director for services performed by him/her for the Association in any other capacity unless a resolution authorizing such remuneration has been unanimously adopted by the Board, excluding the interested Director. Nothing in this paragraph shall be construed as preventing the Association from adopting a resolution reimbursing a Director for such Director's reasonable expenses incurred or expended performing such Director's duties pursuant to the Governing Documents.

3.05 Board Rules. The Board may adopt such Rules and Regulations as it deems proper to enable it to properly perform its duties hereunder. A copy of such Rules and Regulations, as they may from time to time be adopted, amended or repealed, shall be Rules and Regulations of the Association. All such Rules and Regulations shall be posted on the Association's website: <http://jarmikproperties.com>. Upon such posting, said Rules and Regulations shall have the same force and effect as if they were set forth in and are a part of the Governing Documents.

3.06 Committees. The Board may create one or more committees of the Board and appoint one or more Directors to serve on them. There shall be at least one Director on any committee formed by the Board, but such Director is not required to chair the committee. Any person appointed to a committee shall be a Member of the Association in good standing. Owner or non-owner spouses (with written permission from the Owner) may serve on any committee unless such service constitutes an unresolvable conflict of interest under the policies of the Association.

3.07 Meetings of Directors.

(a) *Place and Time.* The Board shall hold meetings as required to conduct the business of the Association, no less than on a quarterly basis. Annual and special meetings of the Board shall be held at the locations and times designated by the President in the notice of such meetings.

(b) *Quarterly Meeting Agendas.* Any meeting and agenda item listed in this section may be changed or delayed at the discretion of the Board. The agendas for quarterly meetings shall address at a minimum the following matters, unless otherwise determined by the Board:

(i) *Annual/Summer Meeting (~ August).* The annual meeting of the Board shall be held immediately after the annual meeting of the Members or as soon thereafter as is reasonably practical. Annual meetings of the Board shall be for the purpose of electing officers, finalization of the annual budget based on the ratification of the Members, and conducting any business that may come before such Board at such meeting. At the meeting, the Board shall set the preliminary Board meeting dates for quarterly Board meetings for the upcoming year.
